## 2016 NACSA Leadership Conference

October 24-27, 2016

“The ultimate measure of a man is not where he stands in the moments of convenience and comfort, but where he stands at times of challenges and controversy.”

Dr. Martin Luther King wrote these words in 1963, and they are as true today as they were then.

Men and women, parents and teachers, authorizers and school leaders, advocates and policymakers; we must all stand together to build better schools for our kids.

**That is what the NACSA Leadership Conference is all about. Stand with us.**
