- III. Presenter: Dr. Elaine Perea, Deputy Director,  
College and Career Readiness Bureau**
- IV. Proposed Motion: Approval of the narrative and data outcomes for the SY2015-2016 Consolidated Annual Report**
- IV. Executive Summary:**
  - **The Perkins Consolidated Annual Report consists of the follow three components: narrative, financial, and performance.**
    - **The narrative component is complete and is provided in submitted format.**
    - **The financial component is complete and is provided in submitted format.**
    - **The performance component is complete and is provided in submitted format. The financial component demonstrates that most secondary and postsecondary targets were met within safe harbor or exceeded the established performance target. The state missed indictor 5P1, Postsecondary nontraditional performance. As a result, the state will file quarterly reports on its efforts to improve performance on this indicator.**
  - **Federal Compliance Monitoring Visit September 14-18, 2015; final closeout letter.**

**US DOE issued its letter of findings on November 23, 2015. The state has corrected all findings and the US DOE has closed the file.**
