## Public Education Commission Schedules Work Session on August 1 to Receive NACSA Evaluation Report

The New Mexico Public Education Commission (PEC) has scheduled a work session on Monday, August 1, 2016 at 2:00 p.m. in Mabry Hall, 300 Don Gaspar, Santa Fe, New Mexico 87501. At this session, the PEC will receive an evaluation report from the National Association of Charter School Authorizers (NACSA).

This evaluation report is designed to provide authorizers a reflective, formative look at its current authorizing policies and practices in relation to NACSA's *Principles & Standards for Quality Charter School Authorizing*. The evaluation process and this report serve as an opportunity for an authorizer to reflect upon the strengths of its authorizing program and determine how best to focus time and energy on areas where the program could be improved.

NACSA visited the PEC in March. During their visit, the representatives interviewed Commissioners, Public Education Department Charter School Division staff and members of the public.
