HORIZON ACADEMY WEST 2013-14 MATH PERFORMANCE INDICATOR

2.b. PERFORMANCE INDICATOR: All students in grades Kindergarten-Sixth at Horizon Acader
is read, heard, and viewed; as assessed through the Discovery Education Short Cycle Assessr

Exceeds Standard:

Over 75% of students will make gains in math short cycle assessment scores when comparir

Meets Standard:
50-75% of students will make gains in math short cycle assessment scores when comparing

Does Not Meet Standard:
Less than 50% of students made at least a 5% individual gain in math short cycle assessment

Falls Far Below Standard:
Not Stated.
Note: The "5% individual gains" statement was inadvertantly left out of the math goal for "I

ny West will apply strategies and skills to comprehend information in math that
ment.

ıg beginning year results to end of year results.

beginning year results to end of year results.

t scores when comparing beginning year results to end of year results.

Exceeds and Meets" as stated in the 2013-14 Performance Framework.
