This charter contract ("Contract"), effective the 1st day of July, 2013 is made and entered into between the New Mexico Public Education Commission ("Commission" or "Authorizer" if a state chartered school is authorized) and New Mexico Connections Academy, a public charter school ("School"). Collectively, these entities are referred to as the "Parties."

The Secretary of the New Mexico Public Education Department is authorized to hear appeals regarding this Contract from the Parties ("Secretary").<sup>1</sup>

## **Article I. Recitals.**

### **Section 1.01 Purpose.**

The Charter Schools Act<sup>ii</sup> ("Act") enables a charter school

- to structure its educational program and curriculum to encourage the use of different and innovative teaching methods that are based on reliable research and effective practices, or have been replicated successfully in schools with diverse characteristics;
- to develop different and innovative ways of measuring student learning and achievement which addresses the needs of all students, including those determined to be at risk;
- to create new professional opportunities for teachers, including the opportunity to be responsible for the learning program at the school site;
- to improve student achievement;

- to provide parents and students with an educational alternative by creating new, innovative and more flexible ways of educating children within the public school system;
- to encourage parental and community involvement in the public school system; and
- to develop and use site-based budgeting that meets state fiscal requirements.

#### **Section 1.02 Description of the Roles of the Parties.**

In order to meet the purposes of the Act, the School will determine the process it uses to achieve successful outcomes for the students it serves. The Authorizer's role will be to evaluate the School's outcomes rather than to establish the process by which the School achieves the outcomes sought.

#### **Section 1.03 Description of Protocol for Oversight.**

In order to improve overall performance, the Parties will use a graduated system of oversight and intervention to maintain the balance between School autonomy and appropriate Authorizer oversight. At the request of the Authorizer or its staff, in order to implement a protocol of continuous improvement or to address issues that are not of serious concern, the School may present the Authorizer with improvement plans from time to time to address identified issues. For issues that warrant more formal intervention, the Parties may implement a corrective action plan. If warranted for statutorily denoted acts arising out of the operations of the School, the Authorizer may implement suspension or revocation procedures.

#### Section 1.04 History.

On 7/2/2012, an application for a new charter school was submitted to the Public Education Commission (Authorizer) by eligible applicants. The Authorizer initially denied the application, which was then appealed to the Secretary. The Secretary reversed and remanded to the Public Education Commission for approval with conditions. The School is a virtual school serving students statewide authorized for grades 4-12. The School plans to serve 500 students in Year 1 and growing to 2000 students by Year 5. See, Exhibit 1, Decision and Order by the Secretary.

The following are the conditions set by the Secretary, and how the Parties will demonstrate compliance with the conditions:

<i>Secretary's condition</i>	<i>How addressed by the Parties</i>
a) All students will be provided with computer by the end of the first year of instruction.	The Parties have adopted Organizational Indicator 5.f. in the Performance Framework for 2013- 2014 to comply with this condition.
b) The Division will work with and monitor the performance of the School to determine how Common Core and 21 <sup>st</sup> Century skills are being addressed.	The Parties have adopted Organizational Indicator 5.d. in the Performance Framework for 2013- 2014 to comply with this condition.
c) The Governing Council will meet its Board of Finance standing requirements.	The School will have demonstrated compliance with this condition by July 30, 2013.
d) The School will complete the planning year checklist.	The School will have demonstrated compliance with this condition prior to the effective date of this Contract.
e) The School will be limited to Grades 4-12 through the first school year. After that, the School may apply to serve grades Kindergarten through 3 <sup>rd</sup> grade if it so chooses.	The School is offering instruction for Grades 4- 12 as set forth in Section 6.02 until amended by the Parties.

The Parties, therefore, hereby agree to establish a New Mexico public charter school according to the following terms and conditions of this Contract.

## **Article II. Parties, Notice and Intent.**

### **Section 2.01 Parties.**

The Commission is created pursuant to the Article XII, Section 6 of the New Mexico Constitution and has powers as accorded to it by law. The Commission is authorized to receive applications for initial and renewal charter applications that request to be authorized by the state<sup>iii</sup>.

The Charter Schools Division (CSD) of the New Mexico Public Education Department (NMPED) shall provide staff support to the Commission or to the Secretary, as appropriate; provide technical support to the School and make recommendations regarding approval, denial, suspension or revocation of the School<sup>iv</sup>. The CSD shall be responsible for overseeing the implementation of this Contract. (The Commission, CSD as staff or any person designated by the Commission, or CSD in consultation with the Commission, to address an issue or as designated by law shall be referred to generally as "Authorizer" from this point forward. For purposes of this contract, "Authorizer" may also mean the Secretary of Education, if the Commission refuses to act on this contract and the Secretary exercises her authority pursuant to NMSA 1978 22-8B-9. The use of the term "Authorizer" is not intended by the parties to alter any rights or duties under law.)

The School Governing Council may ask its Head Administrator to oversee the implementation of this Contract on behalf of the School. (The School Governing Council, its Head Administrator as staff or any person designated by the Governing Council or its Head Administrator to address an issue shall be referred to generally as "School" from this point forward.)

**Section 2.02 Notice.**

Any notice required, or permitted, under this Contract shall be in writing and shall be effective upon personal delivery (subject to verification of service or acknowledgement of receipt) or three days after mailing when sent by certified mail, postage prepaid to the Head Administrator for notice to the School, or to the designated Authorizer representative for notice to the Authorizer at the addresses set forth below. Either Party may change the address for notice by giving written notice to the other Party.

## Section 2.03 Creation of Essential Documents.

Essential Documents. This Contract, the Performance Frameworks (as discussed in further detail in Articles V through VIII below and referred to as "Performance Frameworks") and annual performance indicators set under the Performance Frameworks together form the essential documents governing the Parties ("Essential Documents"). The decision to renew the charter at the end of the term shall be based on these documents, and on data collected from the School's performance on the Performance Frameworks.

Key Elements of Charter and Renewal Applications Incorporated. The most recent and current approved charter document ("Charter")<sup>v</sup> is attached as Exhibit 2. The Charter is attached as a reference document, but is *not* one of the Essential Documents governing the Parties. The key provisions of the Charter have been incorporated as part of the Contract and are listed in Article VI below.

## Section 2.04 Amendment to the Contract Is Construed as an Amendment to the Charter.

The Parties agree that the only provisions of the Charter that are required to be amended (if the School seeks to change any of those provisions) are those listed as Material Terms in Article VI below. The Parties agree that an amendment to any provision of Article VI of this Contract will also be construed to be an amendment to the Charter without further action by either Party.

## Article III. General Governing Principles

### Section 3.01 Public Charter School.

The School is authorized by the Authorizer to operate as a public school, but is a separate legal entity from the Authorizer<sup>vi</sup>. Notwithstanding its existence as a separate legal entity, the School is subject to all applicable state and federal laws, regulations, rules, and policies unless waived by the Secretary or by law<sup>vii</sup>. The School is a governmental entity within the meaning of the Tort Claims Act<sup>viii</sup>, and is entitled to consideration as a political subdivision of the State of New Mexico ("State"), including certain protections regarding immunity.

### Section 3.02 Term of the Charter.

This Contract and the Performance Frameworks are effective as of July 1, 2013. The Term of this Contract shall run until June 30, 2018.

### Section 3.03 Availability of Funds.

Although this Contract is for the operation of the School for the Term of the Contract, any financial commitment on the part of the NMPED and the Authorizer contained in this Contract is subject to the annual appropriations of the New Mexico Legislature.

### Section 3.04 Board of Finance.

**The governing body of the School is qualified as a Board of Finance.**

## Article IV. Oversight to Allow Autonomy

### Section 4.01 Oversight allowing autonomy.

The Authorizer shall comply with the provisions of the Act and the terms of the Contract in a manner that does not unduly inhibit the autonomy granted to the School. In order to meet the purposes of the Act, the School will determine the process it uses to achieve the successful outcomes for its students. The Authorizer's role will be to evaluate the School's outcomes according to this Contract and the Performance Frameworks, rather than to establish the process by which the School achieves the outcomes sought.

#### (a) Curriculum, Instructional Program, Student Performance Standards.

The School shall have the authority and responsibility for designing and implementing the educational plan described as material terms of the Charter in Section 6.01 below.

#### (b) Site Based Management.

The School is responsible for its own operation, including preparation of a budget; is subject to audits<sup>ix</sup>; may contract for services; and shall address personnel matters in accordance with the School Personnel Act<sup>x</sup>.

#### (c) Right to Sue.

The School's Governing Council may contract, sue and be sued.

#### (d) Limitation on Liability.

The Authorizer shall not be liable for any acts or omissions of the School<sup>xi</sup>.

(e) **Employees.**

All employees hired by the School shall be employees of the School for which the Authorizer has no employment responsibility. The Authorizer shall have no obligation to employ a School employee whose employment has been severed, whether voluntarily or involuntarily.

(f) **Waivers.**

*(i) Automatic Waivers.*

The Public Education Department has waived the School from the requirements of the Public School Code pertaining to individual class load, length of the school day, staffing patterns, subject areas, purchase of instructional materials, evaluation standards for school personnel, school principal duties and driver education<sup>xii</sup>.

Waivers granted pursuant to this paragraph shall be effective for the term of the Contract<sup>xiii</sup>. The list of waivers is attached as Exhibit 3.

*(ii) Discretionary Waivers.*

The Parties have negotiated Discretionary Waivers from NMPED rule or the Public School Code, as set forth in Exhibit 3, which must be approved by the NMPED as set forth in (iii) below.

*(iii) Waiver Approval.*

The Authorizer shall, within 30 days from the execution of this Contract, deliver to the NMPED any Discretionary Waiver requests. If the requests are denied, the NMPED shall notify the Authorizer and the School in writing of the denial and reasons. If denied, the School shall, within 30 days of the NMPED's notice of

denial, submit a proposed amendment to the Authorizer addressing the denied waivers, if necessary, and Exhibit 3 shall be amended accordingly.

*(iv) Subsequent Waivers.*

The School may request additional Discretionary Waivers after the initial request. Any new waiver requests shall be processed according to NMPED waiver request procedures, and, if approved, shall be added to this Contract by creating an amended list of approved waivers on Exhibit 3.

*(v) Approved Waivers.*

The Parties shall attach a complete list of approved waivers as Exhibit 3 to this Contract. If new waivers are submitted and approved, the list of approved waivers shall be updated. The list of waivers attached to this Contract shall be deemed an amendment of the Charter as well, without further action by either of the Parties.

*(g) Policies.*

The School agrees to provide acceptable replacement policies and/or procedures for the automatic waivers, if and as needed to deliver the School's program. The School shall be exempt from local district policies and shall, instead, develop policies and procedures to the extent required by applicable law and regulation.

*(h) Acquisition of Property and Gifts.*

The School, within constitutional and statutory limits, may acquire and dispose of property, provided that, upon termination of the Charter, the following will occur:

All assets of School shall revert to the state, except that, if all or any portion of a School facility is financed with the proceeds of general obligation bonds issued by a local school board, the facility shall revert to the local school board.<sup>xiv</sup>

The School's Governing Council may accept or reject any charitable gift, grant, devise or bequest; provided that no such gift, grant, devise or bequest shall be accepted if subject to any condition contrary to law or to the Material Terms of this Contract as set forth in Article VI below. The particular gift, grant, devise or bequest shall be considered an asset of the School.

#### **Section 4.02 Funding and Services for Pay.**

##### **(a) Authorizer Budget for Two Percent Administrative Fee.**

The amount of funding allocated to the School shall not be less than ninety-eight percent of the school-generated program costs<sup>xv</sup>. The Authorizer may withhold and use the remaining two percent of the school-generated program cost for its administrative support of the School. The Authorizer shall use the two percent amount withheld for the following purposes:

1. A portion of the expenditures go to charter school division staff salaries and benefits.
2. A second category relates to expenditures supporting the Public Education Commission's work. This includes their travel, and expenses such as meals, hotels, and per diem.
3. A third category is the resources needed to accomplish the oversight necessary such as pens, paper and pencils and the myriad other supply costs,

including hardware, software and anything else needed to support the work of the CSD.

4. A fourth category is related to all other bureaus in the PED that spend time working on issues related to charter schools, including but not limited to, Special Education, Information Technology, Title I, School & Family Support Bureau, Student Nutrition, School Budget.

**(b) Federal Program Funding for Charters.**

The School is authorized by law to apply for federal funding for which it may be eligible<sup>xvi</sup>.

**(c) Annual Audits.**

The School agrees to pay its proportionate share of the Authorizer's annual audit expense and to budget an appropriate amount annually for purposes of conducting the School's annual audit.

The School does not have an associated not-for-profit foundation that is designated as a component unit of the School. In the event that an associated not-for-profit foundation is formed on behalf of the School, the School shall notify the Authorizer.

**School Delay in Audit.** If, for causes within the School's control, the School's annual audit is delayed, the Authorizer shall provide the School with written notice of potential default under this Contract and a reasonable opportunity to timely present the requested information by a date certain. If the School audit is not completed within that time frame, it shall be considered a material violation of this Contract.

The Authorizer shall provide written evidence to the auditor and to the School that the School caused the late audit and that the delay was within the School's control.

**(d) Third Party Contracts.**

The School may contract with a school district, a university or college, the state, another political subdivision of the state, the federal government or one of its agencies, a tribal government or any other third party for the use of a facility, its operation and maintenance and the provision of any service or activity that the School is required to perform in order to carry out the educational program described in the Material Terms of the Contract as set forth in Article VI below.

The School shall not contract with a for-profit entity for the management of the School.

Contract for goods or services. If the School proposes to contract with a third party provider for goods or services in excess of \$60,000, the School shall provide notice that demonstrates that the contract complies with the Procurement Code and other applicable laws that relate to the use of public funds and provide a written assurance that the proposed contract preserves the School's financial independence from the provider ("Financial Compliance Documentation").<sup>xvii</sup> This provision applies to original contracts, amendments or contract renewals.

Contract relating to Real Property. For any contract over \$60,000 involving real property, the School shall provide notice by submitting a written assurance that the

proposed contract preserves the School's financial independence from the provider ("Real Property Compliance Documentation"). This provision applies to original contracts, amendments or contract renewals.

1. The terms of this section do not apply to personnel contracts. The School is not required to seek a review of any personnel contracts.
2. After receipt of the required Financial Compliance Documentation or Real Property Compliance Documentation request from School on forms provided by the Authorizer, the Authorizer, staff or staff's legal counsel designated to review the documentation shall respond in writing within 10 working days with objection(s) to the Financial Compliance Documentation or Real Property Compliance Documentation and the basis for such objection(s). If there is no response, the Authorizer shall be deemed to have consented to the proposed contract with the selected vendor.
3. If the Authorizer, staff or staff's legal counsel designated to review the documentation raises an objection(s) regarding the Financial Compliance Documentation or Real Property Compliance Documentation request, the School may submit a response within 10 working days.
4. The Authorizer or staff must then object or consent to the Financial Compliance Documentation or Real Property Compliance Documentation request in writing within 10 working days.
5. For a Financial Compliance Documentation request, if the Parties cannot agree on whether or not the proposed contract complies with the Procurement

Code and other applicable laws that relate to the use of public funds and preserves the School's financial independence from the provider, either Party may request that the Secretary make a final decision on the matter. The Parties agree to be bound by the Secretary's decision.

5.a. For a Real Property Compliance Documentation request, if the Parties cannot agree on whether or not the proposed contract preserves the School's financial independence from the provider, either Party may request that the Secretary make a final decision on the matter. The Parties agree to be bound by the Secretary's decision.

(e) Master Plan.

The School shall prepare its own facility master plan in compliance with the rules of the Public School Capital Outlay Council and the Public Schools Capital Outlay Act<sup>xviii</sup>.

**Section 4.03 Access to Data and State Assessment.**

The Authorizer or its designee shall provide the School with substantive information pertaining to the School in a timely way that is otherwise not provided directly to the School by the NMPED, including, but not limited to, test scores, Elementary and Secondary Education Act school improvement status, A-F school grading designation, Common Core alignment information, special education notices, and funding information.

**Section 4.04 Data Available through student information systems.**

To the extent possible, the Authorizer shall not request reports from the School that are otherwise available through student information systems or other data sources reasonably available to the Authorizer, including but not limited to those data sources created and kept by the NMPED.

In the event that information requested on the reports is available to the Authorizer from the student information systems or other data sources reasonably available to the Authorizer, the Authorizer shall pre-populate required reports and provide this pre-populated report to the School.

#### **Section 4.05      Process for Oversight.**

The Act requires that the Authorizer develop and publish the criteria, processes and procedures that the Authorizer will use for ongoing oversight of organizational, financial and academic performance of the School, including the method that the Authorizer intends to use to conduct annual site visit and the evaluation<sup>xix</sup>. The criteria, processes and procedures developed will utilize and align with national best practices.

Accordingly, these criteria, processes and procedures are set forth in this Section 4 and in Articles IV through VIII below.

In order to improve overall performance, the Parties will use a graduated system of oversight and intervention. In areas where the School needs improvement (as identified by results of the assessment of the School under the Performance Framework or as otherwise identified by the Parties), and as requested by the Authorizer, the School shall present an improvement plan(s) to the Authorizer for approval. The School will

report to the Authorizer on the progress of the improvement plans from time to time, as established in the improvement plans. For issues that warrant more formal intervention, the Authorizer shall require and the School shall implement a corrective action plan. If warranted due to statutorily denoted acts arising out of operation of the School, the Authorizer may implement revocation, suspension or other procedures pursuant to the process in Article XII.

#### **Section 4.06 Authorizer Monitoring.**

The Authorizer or the Authorizer's staff shall make at least one annual visit to the School<sup>xx</sup> ("Annual Site Visit"). The Authorizer or the Authorizer's staff, however, shall conduct such monitoring activities as it deems appropriate to ensure that the School is complying with the terms of this Contract and Essential Documents. Except in extraordinary circumstances, Authorizer visits should be pre-arranged and with reasonable notice to avoid needless disruption of the educational process. The Authorizer, its staff or designees reserves the right to make unannounced visits to open meetings, or to the School under circumstances that constitute extraordinary circumstances.

#### **Section 4.07 Annual Site Visit/ Site Visit Report.**

The protocol for the Annual Site Visit and Annual Site Visit Report shall be conducted and prepared according to the Authorizer protocol and forms provided relating to the Performance Frameworks (as discussed in Articles V - VIII below) and any plan created pursuant to this Contract (i.e. improvement plan or corrective action plan). The protocol and forms shall be provided at least 30 days in advance to the School. The Annual Site

Visit shall contain a review, at a minimum, of the School's evidence of progress towards the indicators identified in the Performance Framework and progress towards any plan created pursuant to this Contract, as applicable.

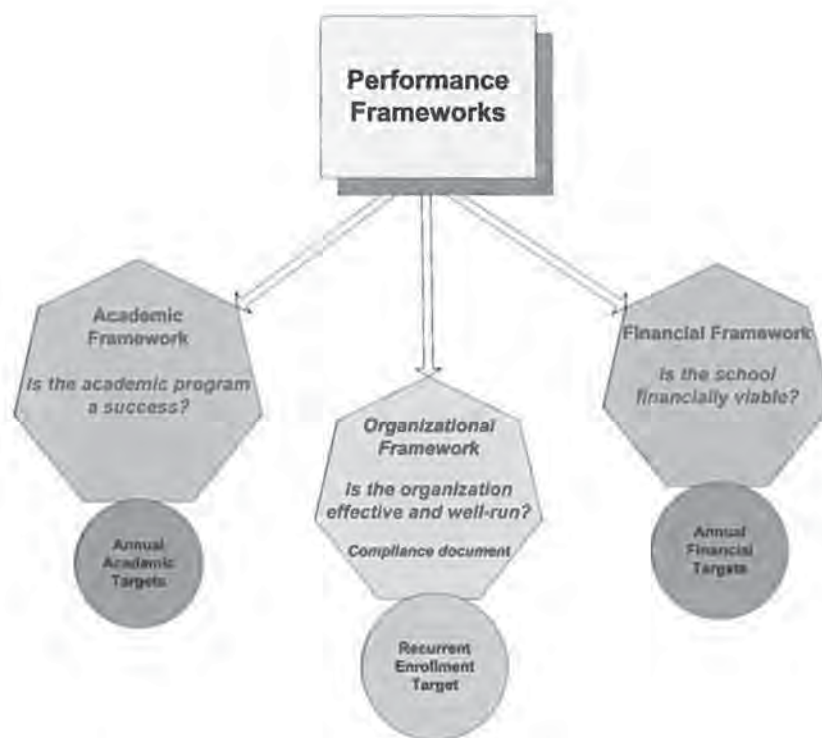

Following the site visit, the Authorizer or the Authorizer's staff shall complete a draft of the Annual Site Visit Report and present it to the School within 60 days after completion of the site visit. **The School shall have 30 days to provide input and comment before the Authorizer finalizes its assessment of the School's progress.**

## **Article V. Performance Frameworks.**

### **Section 5.01 Performance Framework Overview.**

The School's performance shall be based on three Performance Frameworks: an Academic, an Organizational and Financial Framework, which are discussed further below. Each Framework will include indicators, measures and metrics. As referenced above, these Performance Frameworks and the annual performance indicators are part of the Essential Documents governing the Parties.

These Performance Frameworks will be used by the Authorizer to monitor and assess the performance of the School. The Performance Frameworks are the basis of the annual school review process, and the data and evidence resulting from the annual review ultimately will inform the Authorizer's renewal decision. If a school receives a "Working to Meet Standard" or "Falls Far Below Standard," this will result the following year in closer Authorizer review of the School's movement towards meeting the standard on that indicator.

## Section 5.02 Annual Performance Indicators.

Each Performance Framework is set up to establish annual performance indicators. For the annual performance indicators, the Authorizer shall set general annual performance indicators for its authorized schools, after consultation with its schools. The Parties shall then negotiate school-specific annual performance indicators for each year this

Contract is in effect ("School- Specific Indicators"). The annual School Specific Indicators and scorecards are compiled in Exhibit 4. The annual School Specific Indicators negotiated by the parties may include additional rigorous, valid and reliable indicators to augment other evaluations of the School's performance. The annual School Specific Indicators established for each year of this Contract and scorecards resulting from a review of these annual School Specific Indicators shall be included in the Essential Documents as Exhibits 4.1, 4.2, 4.3, 4.4 and 4.5, as each document is created for each year of the Contract.

**Section 5.03** Progress on Performance Framework Indicators and Annual Performance Indicators.

The School shall make satisfactory progress towards the School Specific Indicators which include Organizational, Academic and Financial Frameworks by meeting or exceeding the standard as set forth in the School Specific Indicators. If the Authorizer finds that the School is not making satisfactory progress toward any or all of the annual School Specific Indicators, the Authorizer may take such action as allowed by this Contract or by law, rule or regulation, including implementing the corrective action processes as set forth in this Contract (including Articles IX and XII) or by law, rule or regulation.

The renewal of the School's charter shall be based substantially on the data collected regarding how the School is progressing towards the annual School Specific Indicators

and compliance with the terms of this Contract. Each Organizational Indicator outlines the evidence that the School may show the Authorizer to show compliance with that Indicator. The Parties will negotiate how the School will show compliance with its Academic Indicators. **The information from the Financial Framework will come from the annual School audit or any other applicable sources.**

**During the Annual Site Visit, the Authorizer and School shall review annual School Specific Indicators established the previous school year. Next, the Parties shall negotiate annual School Specific Indicators for the next year considering and incorporating the general annual performance indicators set by the Authorizer for that year unless negotiated otherwise by the Parties.**

## **Article VI. Organizational Framework.**

*Is the organization effective and well run?*

The annual School Specific Indicators includes an Organizational Framework. The Organizational Framework is a compliance checklist that ensures that the School is responsive to the needs of its students, employees and School community. This framework looks at organizational, overarching processes established by the School to ensure efficient operations by the School and compliance with applicable laws. **One indicator negotiated annually, that related to recurrent enrollment, is included in this Framework.**

The annual School Specific Indicators contain the indicators for the Organizational Framework. The annual School Specific Indicators are set each year by the Parties as described Article V above and are attached as Exhibit 4. To the extent that a conflict exists between the descriptions of the Organizational Framework components set forth in this Article, and the annual School Specific Indicators including the Organizational Framework, the annual School Specific Indicators will control. This Contract sets out questions asked in the Organizational Framework in order to present a complete understanding of the obligations of the Parties.

#### **Section 6.01      Terms Requiring Amendment.**

Any provisions set forth in this Article VI may only be changed by agreement of the Parties. No other provision of the Charter requires an amendment executed by the Parties. Provisions not listed in this Article VI may be changed by the School without approval of the Authorizer.

A modification or amendment of this Article VI of the Contract shall be considered to be an amendment of the Charter without further action by the Parties.

The following is a general description of the Organizational Framework areas of focus.

#### **Section 6.02      Organizational Framework, Education Program 1.a. *Is the school implementing the Material Terms of the Charter as defined in this section?***

Organizational Framework Question 1.a. Description. The School shall demonstrate evidence of achieving the Material Terms of the Charter in all respects.

(a) **School Mission.**

- The primary building blocks of NMCA's instructional approach will be individualized instruction through a personalized learning plan (PLP), high-quality teaching, and parental involvement.
- NMCA will provide a STEM Academy. The STEM Academy will consist of a variety of science, math, engineering, and mathematics lessons and activities including but not limited to field trips, guest speakers, and community service opportunities.

*(ii) Student – Focused Term(s).*

*(iii) Terms Regarding School Day.*

NMCA will follow a traditional school year calendar that will meet or exceed the requirements of NMSA 22-2-8.1 and will be approved annually by the Governing Council. The school day is not limited to certain hours for start and end times as a virtual environment creates flexibility in access days and times; however the required hours of instructional/learning time will be met. The required instructional/learning

time will be documented through completed work, login activity, and other teacher/electronic record keeping.

*(iv) Parent Focused Terms.*

Parent involvement will be valued at NMCA. Parents (or designed adult) serve as Learning Coaches and play an active role in the learning process from providing input on the Personalized Learning Plan (PLP) and communicating regularly with teachers. The school will provide opportunities for ongoing training and support to help Learning Coaches carry out their important role while making optimum use of the available technology tools and professional teacher support to do so. Teachers and Learning Coaches work together to set goals for the student and to accomplish these goals during the school year.

*(v) Teacher – Focused Term(s).*

- NMCA is committed to providing initial and on-going professional development to ensure that staff is optimally effective in teaching in a virtual environment and addressing New Mexico Standards and Common Core State Standards in their instructional practice. The School is authorized to enroll the following:

500 students in the first year up to 2000 students by year 5

The School shall provide instruction to students in such grades and subject to approved caps in each year of operation<sup>xxi</sup>. The School may make modifications as to the number of students in any particular grade, and number of students within a class to accommodate staffing decisions that are consistent with the School's programmatic needs, and attrition patterns. However, the School shall not increase the number of grades or the total number of students proposed to be served in each grade without an amendment to this contract or waiver of grade cap provision<sup>xxii</sup>.

If the School seeks to amend enrollment or grades served, the School must, among other things, demonstrate that such changes in enrollment/grades served do not adversely compromise the fiscal and educational program of the School.

*(viii) Intended School Location.*

The School represents to the Authorizer that based upon its mission and school goals, it intends to provide educational services including delivery of instruction in the following described general geographic area:

**Counties: All counties in New Mexico because the School is a virtual school**

*(x) Facilities Occupancy Requirement.*

The School acknowledges that its facility must meet all educational occupancy standards required by applicable New Mexico Construction Codes<sup>xxiii</sup> that may apply to the School's facility, or obtain a waiver from PSCOC/PSFA granted in accordance with 22-8B-4.2 F. The School's facilities shall be certified for occupancy as a public school prior to commencing operations in the new building, including the approval of the director or designee of the New Mexico Public Schools Facilities Authority ("PSFA")<sup>xxiv</sup>. The School further acknowledges that if it is renewed on or after July 1, 2015, that its facilities must meet the requirements as set forth in Subsection D of Section 22-8B-4.2 NMSA 1978 (2011).

*(xv) Food Service.*

NMCA will serve students statewide and will not be offered a food service program. Parents will be fully informed of this fact prior to their students' enrollment in the school so that they may make the best school choice for their family. For purposes of demographic documentation, however, NMCA will request during the enrollment process that families who qualify for Free or Reduced Price Meals – based on past eligibility for these services or current family income – to identify themselves. The purpose of collecting this information is to ensure that the school will be prepared to arrange supplemental educational resources available to students and the school based on incidence of poverty. Parents will be fully informed that volunteering this information will not entitle their family to meal service. NMCA staff will refer families who qualify for Free or Reduced Price Meals to local social service agencies for food assistance upon request. In the event that the federally funded lunch program is changed to permit the distribution of direct assistance to families, NMCA will be

prepared to seek funds to provide this service.

*(xvi) Transportation.*

Students at NMCA, which will serve students statewide, will not require transportation services for regular school activities which will occur primarily in their homes and immediate vicinities. The only mandatory school events that may require students to report somewhere other than their home or immediate neighborhood will be: a) special orientation sessions, and b) state standardized tests, which students will take at proctored locations.

- i. provide the School with timely notification of the prospect of suspension, revocation or nonrenewal of the Charter and the reasons for such action;
- ii. allow the School a reasonable amount of time to prepare and submit a response to the Authorizer's action no less than 30 days, absent exigent circumstances;
- iii. submit the final determination made by the Authorizer to the NMPED; and
- iv. suspension, revocation or nonrenewal of the School is not subject to Article X of the Contract.

**Section 9.06**      **Negotiate the Contract in good faith.**

**Section 9.08**      **Impose sanctions if necessary.**

If, based on the annual performance review conducted by the Authorizer, the Authorizer finds that the School is not making satisfactory progress towards organizational, academic or financial performance or the Authorizer believes there to be a breach of this Contract, the Authorizer may establish a Corrective Action Plan as set forth in

Article XII<sup>xlvi</sup>. The Authorizer may suspend or revoke the School's Charter if warranted<sup>xlix</sup> and according to the process established by the Authorizer.

#### **Section 9.09      Suspend, revoke or not renew the Contract if necessary.**

- a. Committed a material violation of any of the conditions, standards or procedures set forth in this Contract;
- b. Failed to meet or make substantial progress toward achievement of the student performance standards identified in the Contract;
- c. Failed to meet generally accepted standards of fiscal management; or
- d. Violated any provision of law from which the School was not specifically exempted.

#### **Section 9.10      Consider amendments.**

Consider requests for amendments to the Contract in a timely manner. Only those Charter provisions listed in Article VI above shall require an amendment by the Authorizer if a change is sought. No other terms of the Charter shall require an Amendment agreed to by the Authorizer. An amendment to Article VI above shall also constitute an amendment to the Charter without further action by the Parties.

#### **Section 9.11      Set annual performance indicators.**

Set annual performance indicators for the Performance Frameworks after consultation with its authorized schools which shall be designed to help the schools meet applicable federal, state and Authorizer expectations. The Authorizer shall then negotiate school-

specific annual performance indicators with the School for each school year of the Charter. The annual performance indicators for the School are discussed in Articles VI, VII, and VIII above.

**Section 9.12 Consider alternative performance frameworks.**

Consider the alternative performance framework described by the School which allows for the inclusion of additional rigorous, valid and reliable indicators proposed by the School, if any, to augment evaluation of its performance. The Authorizer may reject such framework if the indicators fail to provide the quality and rigor as contemplated by the Act.

**Section 9.13 Monitor School's progress.**

Continuously monitor and conduct at least one annual visit to the School to provide technical assistance to determine the overall organizational, academic and financial performance of the School as described in the Performance Frameworks.

**Section 9.14 Review data.**

Review the data provided by the School to support ongoing evaluation according to the terms of the Contract.

**Section 9.15 Notify School of unsatisfactory performance.**

Notify the School in a timely manner of unsatisfactory performance on the organizational, academic or financial frameworks, or any other factor that may result in corrective action, nonrenewal or revocation as determined during the annual site visit or at any other time.

**Section 9.16 Identify reasons for suspension, revocation or nonrenewal.**

State in writing and at a public meeting its reasons for the suspension, revocation or nonrenewal, including the factual bases therefor, if the Authorizer revokes or does not renew a charter<sup>ii</sup>.

**Section 9.17 Establish closure protocol.**

Establish a closure protocol in the event the School closes. The Authorizer shall oversee and work with the closing School to ensure a smooth and orderly closure and transition for students and parents according to the closure protocol and to ensure that assets are appropriately accounted for and protected<sup>iii</sup>.

**Article X. Resolution of Dispute Relating to the Contract.**

**Section 10.01 Dispute Resolution.**

Except as otherwise provided in this contract or otherwise required by law, disputes arising out of the implementation of this Contract shall be subject to the dispute resolution process set forth in this section.

**Section 10.02 Continuation of Contract Performance.**

The School and the Authorizer agree that the existence and details of a dispute notwithstanding, the Parties shall continue without delay their performance of this Contract, except for any performance that may be directly affected by such dispute.

### **Section 10.03 Notice of Dispute.**

Either party shall notify the other party in writing that a dispute exists between them within 15 working days from the date the dispute arises. The notice of dispute shall identify the article and section of this Contract in dispute, reasons alleged for the dispute and copies of any documentation that supports the complaining party's position. If the dispute is not timely presented to the other party, the party receiving late notice may elect not to enter into mediation.

### **Section 10.04 Initial Administrative Resolution.**

The matter shall be submitted to the head administrator of the School and the head of the Authorizer's staff or their designee. The head administrator and the Authorizer's staff shall keep the School Governing Council and the Authorizer informed during any attempt at administrative resolution. Either Party may identify an authorized representative to join the School staff or the Authorizer's staff in identifying possible solutions. The process shall be completed within 15 working days of the receipt of the Notice of Dispute or the Parties shall agree in writing to an alternative date certain for the termination of this process. If the matter is not resolved within the time frame established, either Party may consider the Initial Administrative Resolution alternative terminated and give the other party notice of the termination. ("Termination of Initial Administrative Resolution").

If the matter is able to be resolved through an Initial Administrative Resolution, the School staff and Authorizer staff shall jointly draft a document identifying the agreed upon resolution and notify the respective Parties of the Initial Administrative Resolution.

If the Initial Administrative Resolution requires an action of the School and the Authorizer, such Initial Administrative Resolution shall be presented after due notice at the next respective Governing Council meetings of the Parties. If necessary, the Parties shall call a special or emergency meeting to approve any Initial Administrative Resolution. In the case that Party approval is needed under this paragraph, the Initial Administrative Resolution shall take effect only if approval is given by both Parties and shall have no effect otherwise.

#### **Section 10.05      Mediation at the Administrative Level.**

If there is a Termination of the Initial Administrative Resolution process, then either Party may demand formal mediation by mailing or delivering notice in writing to the other Party within 10 working days after the Termination of Initial Administration Resolution.

Mediation conducted by the Parties is subject to the Mediation Procedures Act<sup>liii</sup>. If either Party submits a Notice of Demand to Mediate, it shall include in the notice the name of a mediator along with his/her qualifications. If the other Party does not agree to the proposed mediator, then it shall identify an alternate mediator along with his/her qualifications within 5 business days. If the other Party does not agree with the alternate designation, it shall give notice within 5 business days. In the event that the Parties cannot agree on a mediator the two proposed mediators shall meet within 5 business days to appoint a third person to act as mediator. The appointed mediator shall mediate the dispute.

Each Party shall pay one-half of the reasonable fees and expenses of the mediator. All other fees and expenses of each party, including without limitation, the fees and expenses of its counsel, shall be paid by the Party incurring such costs.

Mediation shall be completed within 40 working days unless another date certain is set by the Parties and mediator.

If the matter is able to be resolved through Mediation at the Administrative Level, the School through its staff and Authorizer through its staff shall jointly draft a document identifying the Mediation Resolution and notify the Parties of the Mediation Resolution. If the Mediation Resolution requires an action of the School and the Authorizer, such Mediation Resolution shall be presented at the next respective Governing Council meeting of the Parties. If necessary, the Parties shall call a special or emergency meeting to approve any Mediation Resolution. In the case that Party approval is needed under this paragraph, the Mediation Resolution shall take effect only if approval is given by both Parties and shall have no effect otherwise.

If no resolution is reached by the Parties, then the mediator shall render a written proposal with a proposed resolution of the mediator concerning the matters in controversy, together with his/her findings in the event that the Parties do not come to any agreement. The Proposed Resolution of the Mediator shall be presented to each Party. The mediator shall note any provision in the proposed resolution that would require a vote of the respective Parties.

#### **Section 10.06      Governing Body Consideration.**

If a Mediation Resolution has not been reached within 40 business days of the appointment of the mediator, both representatives shall submit the matter to the respective Parties for consideration along with the Proposed Resolution of the Mediator.

The matter shall be placed on the next regular meeting of each Party, unless a special or emergency meeting is warranted. Prior to the board meeting, the Parties may designate a subcommittee to meet with the subcommittee of the other Party for informal discussions. The subcommittee shall be less than the quorum needed for a meeting of the Governing Council. The subcommittees shall meet jointly to consider the proposals of each Party and the Proposed Resolution of the Mediator. If the subcommittees of the Governing Councils can identify a Joint Proposal that may resolve the dispute, the Joint Proposal of the subcommittees shall be presented at the next meeting of each Party. The Joint Proposal shall be discussed in the public meeting and public comment shall be heard on the Joint Proposal. The Joint Proposal shall then be voted on by the Parties. A special or emergency session may be called of each Party, if needed.

If both Parties adopt the Joint Proposal, the issue shall be deemed resolved according to the terms of the Joint Proposal. If one or both Parties reject(s) the Joint Proposal, then the dispute resolution process shall be deemed to have failed and to have ended.

#### **Section 10.07      Process for Final Resolution of Dispute.**

If settlement of the dispute is not reached through mediation or by agreement of the Parties, either Party may pursue any right or remedy to which it may be entitled by law.

## **Article XI. Renewal.**

### **Section 11.01 Renewal Timeline and Process.**

The School shall submit its renewal application to the Authorizer on or before October 1 of 2017. The Parties may mutually agree to an extension of the submittal of the renewal application; such extension shall be memorialized in writing. The Authorizer shall vote on the renewal application in a public hearing no later than January 1, of the year in which the Contract expires; i.e. January 1, 2018 unless extended by agreement.

### **Section 11.02 Required Information.**

The renewal application shall contain the information required by law<sup>liv</sup>.

### **Section 11.03 Authorizer Review and Analysis of Renewal Contract.**

The Authorizer review shall be conducted according to law, regulation and rule. The renewal of the School's charter shall be based substantially on a review as to whether the School is progressing on the Performance Framework indicators.

## **Article XII. Suspension, Nonrenewal and Revocation.**

### **Section 12.01 Suspension, Nonrenewal and Revocation.**

The charter may be suspended, revoked, or not renewed by the Authorizer as set forth in law, regulation, rule or policy that complies with law and in this Contract.

### **Section 12.02 Corrective Action Required by Authorizer.**

If, based on the performance review conducted by the Authorizer, the School's organization, academic or financial performance appears unsatisfactory or the

Authorizer believes there to be a breach of this Contract, the Authorizer may initiate the

process to implement a corrective action plan. The Authorizer shall notify the School of the unsatisfactory review and provide a reasonable opportunity for the School to remedy the Authorizer's concerns.

**(a) Notice of Unsatisfactory Performance (NUP).**

The Authorizer shall provide written notice to the School no more than 10 business days after determining that there is unsatisfactory performance related to the School's organization, the School's academic or financial performance appears unsatisfactory, or the Authorizer believes there to be a breach of this Contract.

**(b) Response.**

The School shall respond to the NUP within 10 business days, unless an extension is agreed to by the Authorizer. The response shall be in writing and shall include all documents that support the response.

**(c) Corrective Action Plan (CAP).**

After receiving the School's response to the NUP, the Authorizer may require the School to present a Corrective Action Plan that addresses the identified deficiencies; provided that if the unsatisfactory review and School's response to the NUP clearly and unequivocally warrants revocation, the Authorizer may begin revocation procedures. The Authorizer shall provide clear timelines for complying with the Authorizer's demand for corrective action.

**(d) CAP Development.**

If a CAP is required by the Authorizer, the School shall develop the CAP along with a proposed timeline for correcting the alleged deficiencies and submit the CAP to the

authorizer for review, comment, and approval. The Authorizer may require the school to review and revise the plan if it is not effective in remedying the deficiency.

**(e) Effect of Successful CAP Response.**

Successful completion of the CAP shall be acknowledged by the Authorizer in writing and the corrected infractions addressed by the CAP shall not be a basis for future for nonrenewal or revocation actions. However, if the School does not successfully correct the Authorizer's concerns, the Authorizer may take additional steps to insure compliance, which include, but are not limited to seeking assistance from the CSD or another technical assistance provider to implement a plan for correcting the Authorizer's concerns. Failure to comply with the requirements of the CAP may also be considered by the Authorizer when making decisions about renewal, suspension or revocation.

**Article XIII. School Closure.**

Any permanent School closure shall be conducted according to applicable law, regulation rule or policy that complies with law.

**Article XIV. General Provisions.**

**Section 14.01 Order of Precedence.**

In the event of any conflict among the documents and practices defining this relationship, it is agreed that

a) the Contract shall take precedence over policies of either Party and the Charter; and

b) the annual Performance Frameworks shall take precedence over a term of the Contract that appears to conflict with the annual Performance Frameworks.

This Contract shall not take precedence over any applicable provisions of law, rule or regulation.

#### Section 14.02 Amendments.

(a) Authority to Amend.

No amendment to the Contract shall be valid unless ratified in writing by the Authorizer and the School and executed by its authorized representatives.

(b) Process.

The School must first vote in a public meeting to approve any proposed amendment to the Contract or Essential Documents. The School must then submit the requested amendment to the Authorizer's designee. The Authorizer shall vote on the proposed amendment within 60 days of the request. If the Authorizer takes no action within 60 days, the Amendment is deemed approved. If the Authorizer denies the amendment, the School may appeal the decision to the Secretary of the NMPED. A written appeal must be filed by no later than 30 days from the date the Authorizer voted to deny the amendment.

#### Section 14.03 Merger.

The Contract and Essential Documents to this Contract contain all terms, conditions, and understandings of the Parties relating to its subject matter. All prior verbal representations, understandings, and discussions are merged herein and are superseded by this Contract.

#### **Section 14.04 Non-Assignment.**

Neither Party shall assign or attempt to assign any rights, benefits, or obligations accruing to the Party under this contract unless the other Party agrees in writing to any such assignment.

#### **Section 14.05 Governing Law and Enforceability.**

This Contract shall be governed and construed according to the Constitution and laws of the State of New Mexico. If any provision of this contract or any application of this Contract to the School is found to be contrary to law, such provision or application shall have effect only to the extent permitted by law.

#### **Section 14.06 Severability.**

If any provision of this Contract is determined to be unenforceable or invalid for any reason, the remainder of the Contract shall remain in full force and effect, unless otherwise terminated by one or both of the Parties in accordance with the terms contained herein. Either Party may revoke this Contract if a material provision is declared unlawful or unenforceable by any court of competent jurisdiction and the Parties do not successfully negotiate a replacement provision.

#### **Section 14.07      Changes in Law, Rules, Procedures or Forms.**

In the event of a change in law, regulation, rule, procedure or form affecting the School during the term of this Contract, the Parties shall comply with the change in law, rule, regulation or procedure or utilize the new form, provided, however, that the change does not impair the existing Contract and the Parties' respective rights hereunder. If an amendment to this Contract is required to comply with a change in the law or rule, then the Parties shall execute such an amendment. However, by entering into this Contract, no party waives its constitutional rights. No such amendment is required to only amend or correct any references to statute, rule, regulation or document provision set forth in this Contract.

#### **Section 14.08      No Third Party Beneficiary.**

The enforcement of the terms and conditions of this Contract and all rights of action relating to such enforcement shall be strictly reserved to the Authorizer and the School. Nothing contained in this Contract shall give or allow any claim or right of action whatsoever by any other or third person. It is the express intent of the Parties that any person receiving services or benefits hereunder shall be deemed an incidental beneficiary only.

#### **Section 14.09      No Waiver.**

The Parties agree that no assent, express or implied, to any breach by either of them of any one or more of the provisions of this Contract shall constitute a waiver of any other breach.

**Section 14.10 Authorized Signatories.**

The Parties hereby declare that their president/chair or their authorized designee shall be or has been duly authorized to sign this Contract.

# New Mexico Public Education Commission Charter School Performance Framework

---

For the 2013- 2014 Academic School Year

For New Mexico Connections Academy

Prepared for the New Mexico Public Education Commission by the National Association of Charter School Authorizers

## **ABOUT THE PERFORMANCE FRAMEWORK**

In collaboration, the New Mexico Public Education Commission and the New Mexico Public Education Department have developed the following comprehensive Performance Framework to ensure that each and every charter school is serving students with a high-quality public education. The Performance Framework sets the academic, fiscal, and organizational standards by which PEC-authorized public charter schools will be evaluated, informing the authorizer and charter school about each school's performance and sustainability.

By utilizing the Performance Framework as authorized in *22-8B-9.1 NMSA 1978*, the authorizer will apply rigorous standards and metrics by which each and every public charter school is evaluated. This will enable multiple factors to be taken into account when evaluating public charter schools and making critical decisions such as renewal, modification, revocation, as well as determining necessary technical assistance.

## **ACKNOWLEDGEMENTS**

The Performance Framework was developed by the National Association of Charter School Authorizers in collaboration with the Colorado League of Charter Schools (with special thanks to Jody Ernst) and CliftonLarsonAllen Consulting. This concerted effort was made possible by the invaluable contributions of the New Mexico Public Education Department Charter School Division.

## ACADEMIC PERFORMANCE FRAMEWORK

The Academic Performance Framework includes measures that allow the authorizer to evaluate the school's academic performance or outcomes and was developed pursuant to the New Mexico Charter Schools Act. This section includes indicators, measures and metrics for student academic performance; student academic growth; achievement gaps in both proficiency and growth between student subgroups; if the charter school is a high school, post-secondary readiness; and, if the charter school is a high school, graduation rate (22-8B-9.1A (1-3, 6, 7) NMSA 1978).

This section answers the evaluative question: Is the academic program a success? A charter school that meets the standards in this area is implementing its academic program effectively, and student learning—the central purpose of every school—is taking place.

For each measure, a school receives one of four ratings: "Exceeds Standard", "Meets Standard", "Does Not Meet Standard", or "Falls Far Below Standard".

### REQUIRED ACADEMIC PERFORMANCE INDICATORS

#### 1. STATE AND FEDERAL ACCOUNTABILITY SYSTEM

1. Is the school meeting acceptable standards according to New Mexico's A-F grading system?	
<i>Exceeds Standard:</i> <input type="checkbox"/> The school received an A on the state's grading system.	
<i>Meets Standard:</i> <input type="checkbox"/> The school received a B on the state's grading system.

## 2. MISSION-SPECIFIC INDICATOR(S)

**2.a All full academic year students for grades 4 thru 8 will maximize their potential in one academic year by applying strategies and skills as assessed on the Longitudinal Evaluation of Academic Progress® (LEAP) in reading. (Negotiations are currently underway with NWEA to use MAP and Renaissance Learning to use STAR and if either is successful and we are able to assess students remotely using either tool by September 1, 2013, that tool will be used instead of LEAP.)**

**NOTE:** During a one year period, identified students should make one year gain in reading. (i.e. an identified student testing at first semester 4<sup>th</sup> grade at the beginning of the school year will test at a first semester 5<sup>th</sup> grade level by the end of the year.)

Before October 15, 2013, CSD and New Mexico Connections Academy will clearly define "one year's growth" using results generated from the short cycle assessment in place at that time. This short cycle assessment tool and the definition developed will then be used at the assessment of the school at the end of the 2013-2014 school year. During the School Year, New Mexico Connections Academy will follow the process agreed to by the parties using the Short Cycle Assessment tool identified in order to identify if the one year's worth of growth was achieved by each identified student.

For returning students in subsequent years, the benchmark will increase and will be negotiated in Spring 2014. The following are anticipated benchmarks for this goal for returning students:

**Exceeds Standard:** In subsequent years 90% or more of returning students (any student enrolled in time for state testing the previous year) will make at least one year's worth of growth.

**Meets Standard:** In subsequent years 75% or more of returning students will make at least one year's worth of growth.

**Does Not Meet Standards:** In subsequent years less than 75% of returning students will make at least one year's worth of growth.

**Exceeds Standard:**

☐ The school surpassed the target of this mission-specific indicator.

75% or more of full academic year 4<sup>th</sup> -8<sup>th</sup> grade students made at least one year's worth of growth on the LEAP (or MAP or STAR) pre- and post-benchmark assessment in reading.

**Meets Standard:**

☐ The school substantially met the target of this mission-specific indicator.

50-74% of full academic year 4<sup>th</sup>-8<sup>th</sup> grade students made at least one year's worth of growth on the LEAP (or MAP or STAR) in reading

**Does Not Meet Standard:**

☐ The school did not meet the target of this mission-specific indicator.

Less than 50% of students of full academic year 4<sup>th</sup> - 8<sup>th</sup> grade students made at least one year's worth of growth on the LEAP (or MAP or STAR) in reading

## **FINANCIAL PERFORMANCE FRAMEWORK**

The Financial Performance Framework was developed pursuant to the New Mexico Charter Schools Act. This section includes indicators, measures and metrics for financial performance and sustainability (22-8B-9.1A (8) NMSA 1978).

The purpose of the Financial Performance Framework is to produce and collect key data to assess the financial health and viability of charter schools and to determine whether deeper analysis or monitoring is required. Through a set of five interconnected metrics, the Financial Framework analyzes the current state of the school while taking into account its financial trends over a period of three years. The measures are designed to be complementary so when taken together, will provide a picture of the school's near-term financial situation, historic trends and future viability.

For each measure, a school receives one of three ratings: "Meets Standard," "Does Not Meet Standard," or "Falls Far Below Standard." Measures are weighted to provide an overall cumulative rating for the school on Financial Performance.

## **ORGANIZATIONAL PERFORMANCE FRAMEWORK**

The Organizational Framework lists the responsibilities and duties of charter schools that are already required to meet through state and federal laws. It was developed pursuant to the New Mexico Charter Schools Act. This section includes indicators, measures and metrics related to attendance; recurrent enrollment from year to year; and governing body performance, including compliance with all applicable laws, rules and terms of the charter contract (22-8B-9.1A (4, 5, 8) NMSA 1978).

NACSA Principles & Standards (2012) states that,

“A Quality Authorizer implements an accountability system that effectively streamlines federal, state, and local...compliance requirements while protecting schools’ legally entitled autonomy and minimizing schools’ administrative and reporting burdens” (p. 16).

For each measure a school receives one of three ratings: “Meets Standard,” “Working to Meet Standard” and “Falls Far Below Standard” which are defined below. The term “material” used below means that the authorizer deems the matter relevant to:

1. The authorizer’s accountability decisions including but not limited to decisions about whether to renew or non-renew or revoke a charter, or
2. Information that a family would consider relevant to a decision to attend the school.

The Performance Framework is the basis of the annual school review process, and the data and evidence resulting from the annual review will ultimately inform the Authorizer’s renewal decision. If a school receives a “Working to Meet Standard” or “Falls Far Below Standard,” this will result in closer Authorizer review the following year of the School’s movement towards compliance on that indicator. Measures are weighted to provide an overall cumulative rating for the school on Organizational Performance.

*Meets Standard:*
