APPENDIX B CCS BY LAWS

Columbus Community School

Proposed Governing Board By-Laws

1. MISSION STATEMENT

Columbus Community School, in alliance with families and the community, will provide an excellent education for students in sixth through twelfth grades while stimulating economic development in the Columbus area. We will be a nationally-recognized leader in passive solar and adobe construction techniques and innovation

2. EQUAL OPPORTUNITY

Unless acting pursuant to said express-delegated authority from the Board, no Board member shall undertake any individual action to implement any plan or action of the Governing Board. The candidate must be willing to chair and regularly participate in the activities of at least one Community committee, and a willingness and ability to devote their time and energy to acting in the best interests of CCS as a whole, rather than the interests of any particular interest group. As much as possible, Governing Board members shall reflect the ethnic diversity that makes up the school community.

C. Staggered Terms

Terms and Board seats shall be staggered so that the Governing Board will not lose more than 60% of its members at any one election. Each position will be elected for a 3-year term. Board members may run one subsequent term. If after serving two terms, a member must wait out one term if she/he chooses to run a gain.

D. Adhoc Nominating and Recruitment Committee

E. Nominating Petitions

Any person, who desires to be considered for one of the elective positions on the Board, shall submit a letter of interest to the Board. At the next meeting of the Board, the Board must review the qualifications of the candidate(s) so as to affirm that candidate(s)

If the Board is satisfied that the candidate(s) meets all requirements it will officially approve, by majority vote, the candidates. Those members whose position is expired shall serve until their positions are filled. If there is more than one candidate for any elective position, then the Board shall interview and appoint members to the Board. The term of the “appointed seat” shall be for one year or until filled during a regularly scheduled election. If the seat is subsequently filled by an election, the position shall only be for the duration of the term for that position.

Constituents eligible to vote for such position shall vote by ballot in such recall election, and such member shall be recalled and removed from office if more than fifty percent (50) of the votes cast in such election are cast for removal.

I. Vacancies

A vacancy on the Board caused by a member’s resignation, removal by vote of the Board, a recall, death, refusal to serve, or incapacity, will be filled by majority vote of

the remaining Board members.

J. Attendance

Governing Board members are expected to regularly attend Board meetings. If a Board member anticipates that he or she will not be able to attend a meeting, the Board member shall notify the Chairperson or designee of the Board of his or her impending absence in advance of the meeting. If a Board member, as a result of an emergency or illness, is unable to notify the Chairperson or designee of the Board in advance that he or she will be unable to attend a meeting, the Board member shall notify the Board Chairperson or designee in a timely manner following the meeting of the reason for his or her absence.

K. Removal from Board

A Board member may be removed by a majority vote of the remaining Board members for the following reasons:

1. If a member of the Governing Board misses three consecutive regular meetings or three out of six consecutive regular meetings, the office of such member may be declared vacant by a vote of a majority of the remaining members of the Board.
2. If a member of the Governing Board knowingly violates any policy or procedure adopted by the Governing Board, the office of such member may be declared vacant by a vote of a majority of the remaining members of the Board.
3. If a member uses his or her position to gain from the school, financially or otherwise.

L. Filling Vacancy upon Removal

Any vacancy of an office on the Governing Board created pursuant to this section shall be filled in the same manner as other vacancies on the Governing Board are filled. Any member of the Governing Board who has his or her office declared vacant or vacated pursuant to this section shall not be eligible for appointment or election to the Governing Board until the term for which he or she was originally elected or appointed has expired. As used in this section, "regular meeting" means a meeting of the members of the Governing Board about which notice has been published. No office of a member of the

Governing Board shall be declared vacant under this section for any absence or other event that occurred prior to the date of adoption of these Bylaws.

8. CONFLICT OF INTEREST POLICY

A. General Principles

All Board members have a duty of loyalty and a duty of care towards CCS charter school. It is the responsibility of all Governing Board members to conduct themselves in accordance with the highest standards of integrity, honesty, and fair dealing to preclude conflict between the interest of CCS and the personal interests of the Governing Board member. Likewise, it is the responsibility of the school to conduct all its business and operations impartially in accordance with all laws and in conformity with the highest ethical and professional standards. All hiring and other transactions imposing financial and/or legal obligations on the school shall be made with the best interests of the school as the foremost consideration. The Board also recognizes that the ultimate success depends upon the active participation, cooperation and collaboration of parents, volunteers, employees, Governing Board members, students, and other community members. Sometimes the best interests of CCS charter school may involve the creation of relationships that might create an appearance of impropriety or potential for abuse of position, if not carefully evaluated by disinterested parties. The Board therefore has established this policy to guide Governing Board members in their actions or relationships, so that they will avoid the appearance of having their judgment or the performance of their duties compromised.

B. Conflict of Interest Definition

A conflict of interest occurs whenever a Governing Board member permits the prospect of direct or indirect personal gain (or gain to a relative or Related Entity) to influence improperly his or her judgment or actions in the conduct of CCS. It is not practical to specify every action that might be considered to raise a conflict of interest.

Consequently, Board members should immediately disclose to the Board any circumstance that may give rise to the appearance of a conflict of interest. The following situations have the potential for being an actual conflict of interest and must be avoided

unless the Board member has brought the issue before the Board for consideration and the Board voted to approve it in an open meeting: Hiring a Governing Board member's relative as an employee, whether full-time or part-time. Acquiring, leasing, and selling any property, facilities, materials, or contract services (e.g., financial, legal, public relations, and computer) under circumstances in which there is direct or indirect compensation to a Governing Board member or his/her relative or a Related Entity of the member. Using confidential information acquired by virtue of their associations for their individual or another's private gain. Requesting or receiving and accepting a gift or loan for themselves or another that tends to influence them or appear to influence them in the discharge of their duties as Board members. Influencing or having the appearance of influencing business with suppliers to CCS, which results in the financial benefit to a Governing Board member, his or her relatives or a Related Entity.

C. Deliberations and Voting on Conflict Issues

In order to avoid conflicts of interest and the appearance of impropriety Board members shall not participate in open meeting or Closed Session deliberations or votes relating to the discipline of (i) himself or herself; (ii) any relative of the Board member; or (iii) any transaction between CCS and any Related Entity of the Governing Board member.

"Closed Session" shall mean any portion of a Governing Board meeting that is properly closed to the public in accordance with the provisions of the state Open Meetings Act.

The Head Administrator shall not authorize (by approval of a Purchase Order or otherwise) or enter into any proposed transaction described in Paragraph B unless and until the transaction has first been evaluated and approved by the Governing Board. The Governing Board may, but shall not be obligated to, approve a proposed transaction (including the hiring of a Governing Board member's relative or any Related Entity, if the Board concludes, after review of all pertinent data, that: (i) the transaction is financially no less favorable to the school than would be available in an arm's length transaction between unrelated parties; (ii) no Governing Board member will be in a position to influence decisions relating to the employment, supervision, compensation or discipline of a relative; (i) No Governing Board member will be in a position to influence decisions relating to any transaction between CCS and any Related Entity; and

(iv) the benefits of CCS outweigh any appearance of a conflict of interest.

D. Violation of Conflict of Interest Policy

Upon discovery of a possible infraction of the established CCS conflict of interest policies, the discovering party is required to immediately notify the Governing Board Chairperson, Head Administrator, and all Board Members. A Special Governing Board Meeting must be immediately scheduled to consider the matter. In the event the Governing Board decides that a CCS employee, Governing Board member, or volunteer has violated the conflict of interest rules or otherwise abused or attempted to abuse his or her position at CCS, the shall review and recommend appropriate action.

E. Transactions with Interested Board Members

CCS shall not enter into any financial transaction with any Board member, any relative of a Board member, or any other person or entity in which the Board member or relative of the Board member has a direct or indirect financial interest unless during a public meeting: (a) the nature of the direct or indirect financial interest is fully disclosed to the Board; and (b) the transaction is expressly approved by a majority of the Board members present at such meeting who have no direct or indirect personal financial interest in the transaction, provided a quorum of the full Board is present at such meeting. A written contract or other written memorandum shall evidence all such interested transactions approved by the Board, and be reflected in Board Minutes. Each Board member shall be responsible for disclosing to the Board the existence of any such direct or indirect interest. Failure to make such disclosure shall be grounds for voiding the transaction, at the discretion of the Board. Nothing in this procedure shall prevent CCS from paying compensation to a Board member for reasonable expenses incurred. All such compensation shall be paid in compliance with the New Mexico Per Diem and Mileage Act.

9. NEPOTISM

The Board will not initially employ or approve the initial employment in any capacity of a person who is a Board member (unless the offer of employment is contingent upon such

member's resignation from the Board), the spouse, father, father-in-law, mother, mother-in-law, son, son-in-law, daughter, or daughter-in-law, or sibling of any Board member. The Board may waive the nepotism rule for family members of a head administrator. The Board shall carefully consider the potential impact on the integrity, efficiency, discipline and public perception in the employment of any person who is the parent of a student. Nothing in this section shall prohibit the continued employment of a person employed on or before the adoption date of these Bylaws.

10. MISUSE OF POSITION

No Board member will use his/her position to attempt to influence the decision of any employee to grant special treatment to (a) the child or ward of such Board member, (b) any relative of such Governing Board member, or (c) any "Related Entity". For purposes of these Bylaws, a "Related Entity" is a business enterprise, nonprofit organization or other entity with respect to which such Governing Board member, or a relative of such Governing Board member (i) has a direct or indirect financial interest; (ii) is an officer or director; or (iii) is otherwise in a position to control the management or decision-making of such entity. Every Board member and every CCS employee who is a parent or ward of a CCS student shall inform his or her child that he or she is required to follow all rules, policies and procedures applicable to CCS students, that he or she is not entitled to special treatment by virtue of the relationship with a Board member or employee, and that any attempt to seek such special treatment may result in disciplinary action.

11. BOARD COMMITTEES

The Board will establish standing committees, which will consist of Board members, staff, students, and community members. Staff will have the multiple roles of member, mentor, and staff. Committee assignments and chairmanships will be determined by action of the entire Board. Standing committees of the Board II include:

1. Finance committee will be responsible for overseeing ongoing financial activities.
2. The Budget committee will be responsible for budget.
3. The Audit Committee will be responsible for the annual audit and any other audit that might be necessary.

4. The Self Monitor committee will be responsible for assessing the Board's performance.
5. The Resources committee will be responsible for looking for grants and other funding sources from sources other than the state.
6. The Student Achievement committee will be responsible keeping track of student progress.
7. The Program Committee is responsible for the education program, including student assessment monitoring, and receiving and acting on complaints which are not handled by the administration.
8. The Personnel Committee will be responsible for personnel policies and staff due process issues which can not be resolved within the administration structure. All committees are open to the public and function under the Open Meetings Act. All Board members may attend any committee meeting if the meetings are properly noticed pursuant to the Open Meetings Act. In addition, the Head Administrator is empowered to establish committees within the school that report to the Head Administrator. The function of committees will be fact-finding, deliberative, and advisory, rather than legislative or administrative. Committee recommendations that require school-wide policy changes must be submitted to the Board. The responsibility of each committee shall be reflected in a memorandum approved by the Board and filed with these policies.

The Board may appoint ad hoc advisory committees when it is determined to be necessary or advisable by the Board. Ultimate authority to make decisions will continue to reside with the Board.

All committees shall keep written minutes of their meetings, and shall periodically present written reports to the Board containing committee recommendations. Committees shall comply with the Open Meetings Act, when applicable. At no time shall a Governing Committee act or vote on behalf of the Governing Board without prior written approval to do so.

12. BOARD ORGANIZATIONAL MEETING

The Board will hold its first organizational meeting prior to submitting the charter school application to the Charter School Division. During this meeting officers shall be elected. The Board will hold its annual organizational meetings the first Tuesday of February at which time officers will be elected. The offices of the Board to be elected include at least a Chairperson,

Vice-Chairperson, Treasure, and Secretary. Responsibilities of these offices shall be those ordinarily incumbent thereon.

13. REGULAR BOARD MEETINGS

Regular meetings of the Board will be scheduled for the third Tuesday of each calendar month. The date and time of regular meeting may be changed by action of the Board, provided notice of the change has been properly published as required by the Open Meetings Act. Board meetings will be held at a location determined by the Board. A special Board meeting may be called by the Board President, or by a quorum of Board members. Advance notice of a special meeting will be given to all Board members in accordance with the Open Meetings Act (NMSA 1978, Section 10-15-1).

The Board shall consider at least once annually what constitutes reasonable notice for all regular, special and emergency meetings as contemplated by the New Mexico Open Meetings Act and, thereafter, pass an appropriate resolution adopting policies and procedures for complying with the Act. The Resolution shall be posted for public information. Additional notification of meetings shall be sent to the Teacher's Representative, the PTA/PTO parent organization executive, and posted on the CCS website for community access in accordance with the New Mexico Open Meetings Act.

14. BOARD AGENDA

The Chairperson or Chairperson's designee sets Board agendas. A request to have an item placed on the agenda must be submitted to the Chairperson at least 24 hours prior to the required time the agenda must be posted. The Chairperson shall have the discretion to add agenda items up to the time the agenda must be posted. A request to have an item placed on the agenda must be made in writing and include all documents and materials the person anticipates presenting. The Chairperson or designee shall provide a copy of the agenda and all documentation to be considered by the Board at the meeting to each Board member at least 24 hours prior to the meeting.

15. BOARD AND COMMITTEE DELIBERATIONS

All Board members shall work collaboratively with each other, with the sole goal of achieving the CCS educational mission. The Board has been constituted so as to include a broad spectrum of experience and perspectives, and every Board member shall be afforded the opportunity to express his or her opinion, in a professional manner, about matters before the Board. Board members shall refrain from non-constructive or personality-based comments that do not advance CCS mission. Because the Board makes decisions as a deliberative body, it is expected that, except in extraordinary circumstances, Board members will voice their opinions to other Board members about Board matters in the context of Board and/or committee meetings, rather than in private communications among Board members. Board members shall be expected to keep confidential any deliberations or discussions that take place in the closed session meetings. It is expected that Board members will raise concerns or share information about closed session meetings within the context of Board and/or other committee meetings with other members of the Board and appropriate staff members only. Until such decisions are ready for public comment, such information will not be shared with the school community at large.

16. ADDRESSING THE BOARD

An individual may speak at a Board meeting on any item(s) that appears on the adopted agenda after being recognized by the Chairperson, or in his or her absence, the acting chair, of the Board. All presentations should be brief and each individual speaking on an agenda item will be limited to three (3) minutes, unless otherwise instructed by the Chairperson. Complaints about individual employees will not be heard at Board meetings or at community meetings, but should be raised pursuant to the general complaint policy adopted by the Board.

17. BOARD MINUTES

A record of all actions of the Board will be set forth in the official minutes of the Board. The minutes and recordings will be kept on file pursuant to New Mexico record retention

requirements at a minimum. The Board will maintain a separate handbook of its minutes and resolutions passed by the Board.

18. BOARD MINUTES AND RECORDS

The Head Administrator, or administrative staff to whom the Head Administrator shall delegate such responsibility, shall take the minutes of all Board meetings, and provide a written copy thereof for approval at the next Board meeting. The Head Administrator shall also supervise the handbook of resolutions passed by the Board and the indexed record of action. A draft copy of the minutes shall be made available for public review by no later than 10 days after each meeting of the Board. Minutes shall be approved at the next regularly scheduled meeting of the Board.

19. PARLIAMENTARY AUTHORITY/QUORUM

Roberts' Rules of Order, newly revised, will govern the Board, except when in conflict with applicable laws or regulations, which then prevail. Although most items are handled by appropriate motion procedures, consensus action is also used. Unless otherwise specified by Board policy, procedure or resolution, a quorum shall consist of a simple majority of Board members in office, and any action may be taken upon the approval of a majority of those members present, provided a quorum is present.

20. ALTERNATIVE DISPUTE RESOLUTION PROGRAMS

The Board recognizes the existence and effectiveness of alternative dispute resolution programs. Use of alternative dispute resolution programs can result in the early, fair, efficient, cost effective, and informal resolution of disputes. Appropriate use of alternative dispute resolution methods is hereby determined to be in the best interest of the charter school. The Governing Board shall publish a thorough and concise set of dispute resolution policies and provide them in the appropriate school policy publications as they apply.

21. POLICY ADOPTION

Adoption of new policies or the revision or repeal of existing policies is solely the responsibility of the Board. Proposals regarding policies may only originate with a Board member, Board advisors, or committees formed by the Board for the purpose of investigating and developing policy. Staff members, students, civic groups, parents or other interested citizens may request that a Board member or the Head Administrator sponsor a proposed policy.

The Board will adhere to the following described procedure in considering and adopting policy proposals to ensure that such proposals are thoroughly examined before final action. After review, the Governing Board will make such proposed policies available for public comment by staff members, students, civic groups, parents or other interested citizens, for a period of at least seven (7) days. Notice of such proposed policies shall be included in CCS newsletter and/or posted in a prominent location at the school. Upon request, the Head Administrator shall make copies of the proposed policies available to interested parties. Comments on the proposed policies must be submitted in writing to the Head Administrator by the deadline specified by the Board. Following such

public comment period, the Board shall consider any comments received and determine whether changes to the initial draft policies should be implemented. After such consideration by the Board, and adoption of any recommended changes, the Board shall present its final recommended policies or revisions. The public comment process shall apply to all policies proposed by the Board after the date these Bylaws are adopted by the Board.

22. SIGNATORY AUTHORITY

Unless otherwise revised by a Governing Board resolution, all contracts entered into by the Charter School shall be signed by the Board Chairperson and/or the Head Administrator with the consent

of a quorum of the Board members. The Board members shall from time to time establish the dollar limits of checks and contracts requiring the signatures of more than one authorized person. The Governing Board may by a majority vote, delegate authority to sign contracts within a certain dollar amount as described by resolution, to the Head Administrator.

23. INSURANCE, BORROWING AUTHORITY, FUND DEPOSITS, MISCELLANEOUS

- A. Insurance. The school shall purchase and maintain insurance for all past or present employees, volunteers, and Board members for their activities while acting on behalf of or in the service of CCS.
- B. Authority to Borrow, Encumber Assets. No governing Board member, officer, agent or employee shall have any power or authority to borrow money on the school's behalf, to pledge its credit or to mortgage or pledge its real or personal property.
- C. Deposit of Funds. All funds shall be deposited to the credit of the school in such banks, trust companies or other depositories as the governing Board may approve or designate, and all such funds shall be withdrawn only in the manner or manners authorized by New Mexico Public School Finance Act, or other applicable law or regulation.

24. DISSOLUTION

If deemed advisable by the Board that Columbus Community School should be dissolved, the Charter School in collaboration with the Public Education Commission and the New Mexico Public Education Department shall devise an appropriate plan for closing the school and transferring assets as required by applicable statutes and regulations.

The following is a list of actions that disrupt the educational process. This list is not all-inclusive; acts of misconduct not specified herein shall also be subject to discretionary action by appropriate school personnel. This document does not attempt to set societal standards. The criterion used for defining unacceptable behavior is whether or not it has the potential to disrupt the educational process. These guidelines follow state and federal guidelines. Disruption of the education process can include following:

Students will receive increasing severe consequences for infractions even if they are of a less severe nature. A specific conduct violation may require administrative intervention regardless of the number of times it has occurred.

DISCIPLINARY CONSIDERATIONS FOR SPECIAL EDUCATION STUDENTS

Special education students are not immune from the district's disciplinary process once placement procedures are properly followed. Since the exclusion of a student with a disability from his/her education program for more than a total of ten (10) days during a school year may constitute a significant change in placement, the following considerations must be addressed:

- When considering long-term suspension or expulsion, an Individualized Education Program (IEP) Team must first determine whether the behavior of concern is a manifestation of the student's disability and whether his/her program is appropriate.
- If the IEP team determines both that the behavior is not a manifestation of the student's disability and that the student's program is appropriate, disciplinary actions may be taken in accordance with the procedures in this handbook.
- Should the disciplinary procedures include long-term suspension or expulsion, the district must continue to provide the educational services defined in the IEP.
- If the IEP Team determines either that the behavior is related to the student's disability or that the student's program is not appropriate, and then the student may not be suspended and must receive an appropriate program.
- Any suspension that excludes a student from his/her IEP services must be counted when calculating the total number of suspension days (10 consecutive days or a series of suspensions that constitute a change in placement).
- The decision to remove a student from his/her IEP services must be made on an individual basis.
- Procedural safeguards outlined in the New Mexico Department of Education Standards for Excellence in Compliance Manual ensure that parental due process rights are afforded.
- All federal guidelines regarding the provision of education continuation services for suspended special education students will be adhered to.
- Special education students are entitled to a due process hearing.

STAFF ACTIONS FOR INFRACTIONS

Student Referrals/Incident Reports

From time to time, an incident may occur that, while it is critical to note in a student's discipline file, does not necessarily lead to a referral or clear punishment/consequence. In these instances will be filled out as an Incident Report on the Referral Form and filed with the front office. Incidents appropriate for this form may include a brief discussion between a parent and teacher about a concern regarding a student's behavior, or a student who has been repeatedly accused of bullying another student but no direct evidence exists, etc. The Incident Report will be reviewed and noted by the Administrator in charge of discipline and placed in the student's file.

- Because participants are serving as representatives of their school and community, their conduct is expected to exemplify high standards at all times.
- Participants are expected to adhere to higher standards of academics and conduct than established for the general school population in order to maintain their extra-curricular privileges.

Suspension

A suspension is the removal of a student from a class or classes and all school-related activities for any period of time. The school administration must provide written notification to each of the student's teachers and to the student's parents/legal guardians within one (1) school day of imposing any form of suspension. The school administration must keep on file a copy of the notification for any suspension occurring during a school year. The Associate Instruction of the school is responsible for notification compliance and documentation. Copies of suspension notification may be discarded at the beginning of each academic year for prior year actions, except for any long-term suspensions or expulsions still in effect.

Short-Term Suspension

Short-term suspension will be at the discretion of the School Administrator and will address behaviors that disrupt the educational process. Administrators may impose Interventions/Consequences beyond the minimum mandatory in order to maintain the safety and security of the school population. Short-term suspension will be limited to no more than five (5) days, only one (1) of which can be out of school.

Long-Term Suspension

Long-term suspension is defined as the removal of a student from instruction and all school-related activities for more than ten (10) days and up to the balance of the semester. A secondary student receiving a long-term suspension may lose credit for the semester unless placed in an alternative school setting. A student must be given the opportunity for a due process hearing prior to the suspension. The student may, at his/her own expense, choose to be represented by an attorney at the hearing. At the Head Administrator's discretion, students may be suspended pending a due process hearing.

Expulsion

Expulsion is the removal of a student from Columbus Community School for a period exceeding one (1) semester. In some cases, expulsion may be a permanent removal from school. When appropriate, a student who is expelled may be placed in an alternative program. A secondary student receiving an expulsion will lose credit for the semester in which the expulsion occurs, unless the student is engaged in an alternative program. A student must be given a due process hearing prior to expulsion. The student may, at his/her own expense, choose to be represented by an attorney at the hearing.

Reimbursements/Restitution

Restitution will be sought from anyone for damage or theft of personal or school property. This includes damage to the school facilities, i.e. bathrooms, lockers, desks, etc. – damage or loss of school textbooks materials, and supplies for which student and parents are responsible; or damage to personal property of school employees or students or school neighborhood residents. Such matters may be referred to the police or other legal authority for further action.

Grade Requirements and Promotion Policy

Students are admitted to the Columbus Community School based on promise, aptitude and passion. Through a public / private partnership, students are provided with academic opportunities to excel. Many students in New Mexico are interested in the opportunities provided by the school, and students enrolled in the school should continually show purpose and commitment in their work. Students will receive a grade from each teacher for attendance and for effort in a class, in addition to the grade for the substantive work in a class. Students will receive an attendance grade and a grade for effort in all classes.

Mastery

Promotion is based on mastery of a subject. No grades below a “C” will be given. A student will continue to work in a subject area until he/she shows mastery of the subject. By the same token, once mastery is achieved the student may move up to the next level. Seat time is not taken into consideration.

Students are required to be involved in the development of the assessment process, which includes self-assessment. Through this process, teachers and the student will know at all times is the student is achieving in a timely manner.

It is the joint responsibility of teachers, the student, and the Associate for Instruction to monitor the student’s progress. Once a student is perceived as not progressing at an acceptable pace a Student

Achievement Team must intervene to determine the impediments for the student and develop an appropriate plan for achievement. At this stage the student's parents are notified and request to join in the deliberation of the SAT.

APPENDIX “G”

CONFLICT OF INTEREST POLICY

A. General Principles

All Board members have a duty of loyalty and a duty of care towards Columbus Community School (CCS) charter school. It is the responsibility of all Governing Board members to conduct themselves in accordance with the highest standards of integrity, honesty, and fair dealing to preclude conflict between the interest of (CCS) and the personal interests of the Governing Board member. Likewise, it is the responsibility of the school to conduct all its business and operations impartially in accordance with all laws and in conformity with the highest ethical and professional standards. All hiring and other transactions imposing financial and/or legal obligations on the school shall be made with the best interests of the school as the foremost consideration. The Board also recognizes that the ultimate success depends upon the active participation, cooperation and collaboration of parents, volunteers, employees, Governing Board members, students, and other community members. Sometimes the best interests of CCS charter school may involve the creation of relationships that might create an appearance of impropriety or potential for abuse of position, if not carefully evaluated by disinterested parties. The Board therefore has established this policy to guide Governing Board members in their actions or relationships, so that they will avoid the appearance of having their judgment or the performance of their duties compromised.

B. Conflict of Interest Definition

A conflict of interest occurs whenever a Governing Board member permits the prospect of direct or indirect personal gain (or gain to a relative or Related Entity) to influence improperly his or her judgment or actions in the conduct of CCS. It is not practical to specify every action that might be considered to raise a conflict of interest. Consequently, Board members should immediately disclose to the Board any circumstance that may give rise to the appearance of a conflict of interest. The following situations have the potential for being an actual conflict of interest and must be avoided unless the Board member has brought the issue before the Board for consideration and the Board voted to approve it in an open meeting:

- Hiring a Governing Board member’s relative as an employee, whether full-time or part-time.
- Acquiring, leasing, and selling any property, facilities, materials, or contract services (e.g.,

financial, legal, public relations, and computer) under circumstances in which there is direct or indirect compensation to a Governing Board member or his/her relative or a Related Entity of the member.

- Using confidential information acquired by virtue of their associations for their individual or another's private gain.
- Requesting or receiving and accepting a gift or loan for themselves or another that tends to influence them or appear to influence them in the discharge of their duties as Board members.
- Influencing or having the appearance of influencing business with suppliers to CCS, which results in the financial benefit to a Governing Board member, his or her relatives or a Related Entity.

C. Deliberations and Voting on Conflict Issues

In order to avoid conflicts of interest and the appearance of impropriety Board members shall not participate in open meeting or Closed Session deliberations or votes relating to the discipline of (i) himself or herself; (ii) any relative of the Board member; or (iii) any transaction between CCS and any Related Entity of the Governing Board member. "Closed Session" shall mean any portion of a Governing Board meeting that is properly closed to the public in accordance with the provisions of the state Open Meetings Act.

The Head Administrator shall not authorize (by approval of a Purchase Order or otherwise) or enter into any proposed transaction described in Paragraph B unless and until the transaction has first been evaluated and approved by the Governing Board. The Governing Board may, but shall not be obligated to, approve a proposed transaction (including the hiring of a Governing Board member's relative or any Related Entity, if the Board concludes, after review of all pertinent data, that: (i) the transaction is financially no less favorable to the school than would be available in an arm's length transaction between unrelated parties; (ii) no Governing Board member will be in a position to influence decisions relating to the employment, supervision, compensation or discipline of a relative; (iii) No Governing Board member will be in a position to influence decisions relating to any transaction between CCS and any Related Entity; and (iv) the benefits of CCS outweigh any appearance of a conflict of interest.

D. Violation of Conflict of Interest Policy

Upon discovery of a possible infraction of the established CCS conflict of interest policies, the discovering party is required to immediately notify the Governing Board Chairperson, Head Administrator, and all Board Members. A Special Governing Board Meeting must be immediately scheduled to consider the matter. In the event the Governing Board decides that a CCS employee, Governing Board member, or volunteer has violated the conflict of interest rules or otherwise abused or attempted to abuse his or her position at CCS, the Board shall review and recommend appropriate action.

E. Transactions with Interested Board Members

CCS shall not enter into any financial transaction with any Board member, any relative of a Board member, or any other person or entity in which the Board member or relative of the Board member has a direct or indirect financial interest unless during a public meeting: (a) the nature of the direct or indirect financial interest is fully disclosed to the Board; and (b) the transaction is expressly approved by a majority of the Board members present at such meeting who have no direct or indirect personal financial interest in the transaction, provided a quorum of the full Board is present at such meeting. A written contract or other written memorandum shall evidence all such interested transactions approved by the Board, and be reflected in Board Minutes. Each Board member shall be responsible for disclosing to the Board the existence of any such direct or indirect interest. Failure to make such disclosure shall be grounds for voiding the transaction, at the discretion of the Board. Nothing in this procedure shall prevent CCS from paying compensation to a Board member for reasonable expenses incurred. All such compensation shall be paid in compliance with the New Mexico Per Diem and Mileage Act.

Mr. Phillip Skinner
Columbus Community School
PO Box 810
Columbus, New Mexico 88029-0810

Dear Mr. Skinner:

PSFA has received and reviewed the Facility Master Plan/Educational Specification (FMP/Ed Spec) for the Columbus Community School Charter. The FMP/Ed Spec's purpose is to guide you in the planning of and/or selection of a facility to ensure that it is adequate to accommodate your educational program and method of instruction. Based upon our review, PSFA is pleased to announce that the Plan meets our requirements. In accordance with House Bill 283, your next step is to submit your charter school application to the New Mexico Public Education Department (PED) and include your plan. We also request that you send us the plan in a 3-ring binder and include an electronic version once the PED approves your charter.

Through our review of the FMP/Ed Spec, PSFA understands the following:

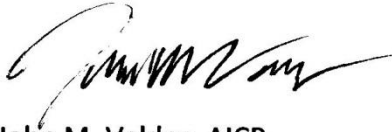

- The Columbus Community Charter School would like to use the Ben Archer Medical facility, Village of Columbus playground/pool, and Village of Columbus Community Center, and parts of the old Columbus Elementary School to deliver your curriculum.
- If PED does approve your charter application, PSFA staff will have to review your proposed facilities to ensure that they equal the average statewide weighted New Mexico Facilities Index before you can use them for educational facilities.
- The school also plans on locating portables on two acres of vacant land, which could be home to the school's permanent site with permanent square footage.
- To use the entire old Columbus Elementary School is cost prohibitive since the school needs significant rehabilitation work, which necessitated the need for a new Columbus Elementary school.
- According to 40th Day 2012-13 Enrollment numbers and capacity figures, the new Columbus Elementary does not have the capacity to accommodate the charter school in its facility.
- You plan to have a cap of 390 students and consist of 6th-10th grades initially and later add 11th and 12th grade.

Partnering with New Mexico's communities to provide quality, sustainable school facilities for our students and educators

- You plan on having 26 general classrooms with an anticipated pupil/teacher ratio of 1 teacher for 15 students.
- You have reviewed our adequacy standards, planning guide, and HB 283.

If you are a successful applicant, please remember to work closely with PSFA's Planning and Design team as you review potential facilities. You can reach us at (505) 843-6272.

Sincerely,
