A charter school is a public school developed by one or more parents, teachers or community members authorized by the local school board or the Public Education Commission to provide an alternative educational setting to parents and students in the public school system. Charter schools provide an opportunity to create new, innovative and more flexible ways of educating children.

Charter schools in New Mexico have the option to be authorized through the school district in which they are located or they may apply to be authorized by the Public Education Commission. Currently there are 40 state chartered charter schools that have been authorized by the Commission.

The WHCS is currently completing its charter renewal application which is due October 1, 2011. Through this application, WHCS is seeking authorization by the Public Education Commission to become our own Local Education Agency.

Please check the following:

☒ Yes, I agree that WHCS to become authorized by the Public Education Commission to become their own Local Education Agency.

☐ No, I agree that WHCS should remain with the Local School District.
