

PART A-PERFORMANCE REPORT

III. PETITION OF SUPPORT FROM HOUSEHOLDS

A certified petition in support of the charter school renewing its charter status signed by not less than seventy-five (75) percent of the households whose children were enrolled in the charter school as identified in the school's 3rd reporting period of the fiscal year prior to the expiration of the charter.

Include, as an appendix, a certified petition in support of the charter school renewing its charter status from not less than seventy-five percent (75%) of the **households** whose children were enrolled in the charter school as identified in the school's 3rd reporting period report of the fiscal year prior to the expiration of the charter.

Following is a suggested form to certify the petition. This form may be attached to the petition.

I am the head administrator of the Walatowa High Charter School. The attached petition in support of the Walatowa High Charter School renewing its charter was circulated to household whose children were enrolled in our charter school as identified in the school's 3rd reporting period report of the fiscal year prior to the expiration of the charter. It contains the signatures of 40 households which represents 100 percent of the households whose children were enrolled in the Walatowa High Charter School.

A charter school is a public school developed by one or more parents, teachers or community members authorized by the local school board or the Public Education Commission to provide an alternative educational setting to parents and students in the public school system. Charter schools provide an opportunity to create new, innovative and more flexible ways of educating children.

Charter schools in New Mexico have the option to be authorized through the school district in which they are located or they may apply to be authorized by the Public Education Commission. Currently there are 40 state chartered charter schools that have been authorized by the Commission.

The WHCS is currently completing its charter renewal application which is due October 1, 2011. Through this application, WHCS is seeking authorization by the Public Education Commission to become our own Local Education Agency.

Please check the following:

☒ Yes, I agree that WHCS to become authorized by the Public Education Commission to become their own Local Education Agency.

☐ No, I agree that WHCS should remain with the Local School District.

A charter school is a public school developed by one or more parents, teachers or community members authorized by the local school board or the Public Education Commission to provide an alternative educational setting to parents and students in the public school system. Charter schools provide an opportunity to create new, innovative and more flexible ways of educating children.

Charter schools in New Mexico have the option to be authorized through the school district in which they are located or they may apply to be authorized by the Public Education Commission. Currently there are 40 state chartered charter schools that have been authorized by the Commission.

The WHCS is currently completing its charter renewal application which is due October 1, 2011. Through this application, WHCS is seeking authorization by the Public Education Commission to become our own Local Education Agency.

Please check the following:

☒ Yes, I agree that WHCS to become authorized by the Public Education Commission to become their own Local Education Agency.

☐ No, I agree that WHCS should remain with the Local School District.

A charter school is a public school developed by one or more parents, teachers or community members authorized by the local school board or the Public Education Commission to provide an alternative educational setting to parents and students in the public school system. Charter schools provide an opportunity to create new, innovative and more flexible ways of educating children.

Charter schools in New Mexico have the option to be authorized through the school district in which they are located or they may apply to be authorized by the Public Education Commission. Currently there are 40 state chartered charter schools that have been authorized by the Commission.

The WHCS is currently completing its charter renewal application which is due October 1, 2011. Through this application, WHCS is seeking authorization by the Public Education Commission to become our own Local Education Agency.

Please check the following:

☒ Yes, I agree that WHCS to become authorized by the Public Education Commission to become their own Local Education Agency.

☐ No, I agree that WHCS should remain with the Local School District.
