Dear: Ms. Blakey,

PSFA has received and reviewed the Facility Master Plan/Educational Specification (FMP/EdSpec's) for Health Leadership High School. The FMP/Ed Spec's purpose is to guide you in the planning of and/or selection of a facility to ensure that it is adequate to accommodate your educational program and method of instruction. Based upon our review, PSFA is pleased to announce that the Plan meets our requirements. In accordance with House Bill 283, your next step is to submit your charter school application to the New Mexico Public Education Department (PED) and include your plan. We also request that you send us the plan in a 3-ring binder and include an electronic version once the PED approves your charter.

Through our review of the FMP/Ed Spec's, PSFA understands the following:

- The Albuquerque Public Schools in which you may be physically located has stated it does not have space in any of its facilities to accommodate your school
- You plan to have a cap of 430 students and consist of 9<sup>th</sup> thru 12<sup>th</sup> grades
- Anticipated number of 16 classrooms/spaces
- You have reviewed our adequacy standards, planning guide and HB 283

If you are a successful applicant, please remember to work closely with PSFA's Planning and Design team as you review potential facilities. You can reach us at (505) 843-6272.

Sincerely,
