

Infinite Inspiration for Your Classroom

PBS LearningMedia™
pbslearningmedia.org

Access thousands of FREE, standards-aligned digital resources designed to help you enrich classroom instruction and build one-of-a-kind learning experiences for your students.

Now offering all users free access to state standards!

PBS LearningMedia is THE destination for high-quality, trusted, digital content and solutions that inspire students and transform learning. With thousands of innovative resources mapped to state and national standards, it's never been easier to find the content you need to amplify your lessons, kick-start classroom conversations, and help spark students' sense of curiosity. Thanks to a partnership with the WGBH Educational Foundation and a community-supported network of public media stations, this service is able to offer free, unrestricted, "anytime" access to millions of preK-12 educators and students across the country.

Why PBS LearningMedia?

ROBUST RESOURCE LIBRARY

Access thousands of preK-12 videos, games, interactives, and lesson plans across a wide range of subjects.

TRUSTED CONTENT PARTNERS

Explore resources from over 200 educational content partners including PBS KIDS.

“ PBS LearningMedia offers me an easy way to build an entire unit and helps me come up with creative activities that I can bring into my classroom. ”

Mallory Mbalia
Kindergarten Teacher
Raleigh, NC

“ PBS LearningMedia can be used to jump-start conversations in the classroom. I use it because it offers me quality content and I can find what I need. I trust PBS. ”

Brian Lassiter
4th Grade Teacher
Tallahassee, FL

“ PBS LearningMedia is an outstanding resource for integrating technology into the classroom. Finding quality information is quick and easy and provides additional and meaningful depth to my lessons. ”

Chad Wickard
6th Grade Teacher
Rock Island, IL

Assets are aligned to New Mexico and National Standards. Find New Mexico history and STEM content produced by KNME/ New Mexico PBS. Our Education and Outreach staff is available for in-person professional development workshops or custom webinars.
