The Governing Council of the Student Athlete Headquarters Academy (SAHQ Academy) Relinquishes Charter and Ceases Operation of School

Albuquerque – On July 27, 2018, the Governing Council of SAHQ Academy held a special meeting in which they voted to relinquish the school's charter and cease the operations of the public charter school.

The New Mexico Public Education Commission (PEC) was notified of the school's decision and scheduled a special meeting for Wednesday, August 1. At that special meeting, the PEC accepted the school's notice of surrender and terminated the charter.

The Public Education Department (PED) and the PEC will be working together to dispose of all school property, wind down operations, and transfer all student files.

Members of the public who have questions regarding this process may call the PED at 505-827-6909 or email charter.schools@state.nm.us. The PED will be reaching out to all families previously enrolled in the school or planning to enroll to support those families in identifying other educational options and transferring student records.
