Good afternoon Mayor Murillo-Trujillo,

Thank you for speaking with me yesterday about your desire to have an executed contract with the NM Public Education Dept. regarding the Anthony Charter School donation or equipment/property to the City of Anthony. We are currently reviewing the school's request for approval of property disposition (Form PED – 947 that the school has already completed and sent to us) and will let you know (as well as provide you a copy) as soon as I find out the outcome.

Thank you so much for your patience and please do not hesitate to contact me if you have any questions.

Regards,
