

Part F: Amendments and Amendment Requests

In addition to historical information on amendments and amendment requests provided by the Charter Schools Division in this report the school will need to identify additional amendments it would like to have considered as part of the renewal process. These amendments may include changes in facility location, enrollment cap increases, changes in grade levels served, changes in the educational program and other standard amendment requests. For the purpose of this report, all amendment requests and actions to date are listed below:

Part F—Amendment Requests

Explore Academy’s administration and governance council are, at the time of this submission, planning to pursue amendments in the following areas:

- Potential increase in overall enrollment cap (to 550-600 students)
- Addition of a potential second and third school site
- Adjustment to management structure to include a contracted management entity to oversee the school’s operations as well as operations of a potential second and/or third school site
