

Part F—Amendment Requests

(Submissions that meet amendment request requirements to support PEC consideration of any requested changes to the material terms of the school contract that would become effective as part of the new contract)

2018 Renewal AMENDMENT to Mission Statement, change in red:

SAMS Academy Mission Statement

The mission of the Southwest Aeronautics, Mathematics and Science Academy is to prepare students, in grades 7-12 in an integrative STEM 21st century educational environment which offers a unique option in aeronautics. All students, including at-risk, will be competent in reading, writing, mathematics, science, technology and problem solving skills necessary for success in post-secondary education, high-tech, or aviation related careers.

Part F: Amendments and Amendment Requests

In addition to historical information on amendments and amendment requests provided by the Charter Schools Division in this report the school will need to identify additional amendments it would like to have considered as part of the renewal process. These amendments may include changes in facility location, enrollment cap increases, changes in grade levels served, changes in the educational program and other standard amendment requests. For the purpose of this report, all amendment requests and actions to date are listed below:
