Input Device Requirements

Keyboard/Mouse/Touchpad - It is recommend that schools be prepared to provide external keyboards for test takers using tablets so as not to limit or obscure the view of test item content and related functionalities when text input is required. External keyboards must allow students to enter letters, numbers, and symbols and shift, tab, return, and backspace. Tablet touch screen interfaces can be used for student interactions with the assessments other than text input, including to control an onscreen cursor to point, click, drag, and select an area.

Headphones/earphones are required for grades 4-5 elementary EoCs.

Additional Guidance

It is recommended that schools upgrade from the oldest operating systems and lowest memory levels as soon as possible.
