SIGNIFICANT ISSUES

PED is currently doing this through policy. The current NMAC rule allows for any licensed Level 1 or alternative Level 1 teacher to apply for a Level 2 license after 3 years.

NMAC 6.60.6 currently states: A 1
A. teacher holding a valid level 1 license and seeking a level 2 license pursuant to the provisions of this rule shall meet the following requirements, which may not be waived or substituted by any other experience:

(1) complete three full school years of teaching experience as the teacher of record at level 1 New Mexico licensure with successful annual evaluations as determined by the local superintendent. The local superintendent shall consider the effectiveness ratings from the NMTEACH evaluation system as a consideration in determining whether the teacher has had successful evaluations. The superintendent will consider all annual evaluations that have occurred during the term of the level 1 license, except that a teacher who has completed two full school years of teaching experience while holding standard teaching licensure in New Mexico or in another state or country or has obtained level 1 New Mexico teaching licensure through reciprocity in 6.60.4 NMAC and is seeking advancement to level 2 may be required by a local New Mexico school district to complete up to two full years of teaching experience in New Mexico before being eligible for licensure advancement to level 2 except that a person who has completed one full school year of teaching in another state or country must teach for two full school years under standard level 1 New Mexico licensure; and

(2) submit, in a form acceptable to the director of licensure, a completed licensure application, along with the superintendent's assurance that the superintendent has considered the NMTEACH effectiveness ratings over the term of the level 1 license, as well as the superintendent's determination of successful annual evaluations. The teacher may apply for advancement by establishing either an effective or better rating on the NMTEACH evaluation system, as determined by the department; or, if the teacher does not meet the NMTEACH requirements, submit a professional development dossier (PDD), as provided in 6.69.4.11 NMAC or certification from the national board for professional teaching standards. The application for advancement may be submitted up to three months in advance of the completion of the requirement in Paragraph (1) of Subsection A of 6.
