Conference Site: The Ruidoso Convention Center / Ruidoso, NM

Pre-Conference Opportunities :

Connecting CTE Educators to Skills that Advance Student Success is a must for new teachers, but will also prove to be HUGELY beneficial for experienced teachers, as well! This opportunity will provide tons of resources to assist you in being successful in the CTE classroom. Plan to attend both days!

NCCER Instructor Resource Training includes a brief overview of NCCER and then dives deep into gaining a knowledge of all that is available, including resources such as: lesson plans, PowerPoints, curriculum, online assessments, and program recruitment information.

ServSafe Management Certification offers manager certification for professionals in the foodservice industry! Included with the full-day of training, is the latest book, lunch, and certification exam. Upon passing, participants will receive certification from the nationally recognized National Restaurant Association Educational Foundation.

Google Classroom - Learn How to Fully Utilize the Capabilities provides participants with an in-depth look at how Google Classroom can impact teaching and learning, when utilized with all available components!

Opening Keynote :

Michael Daggs has a Health Science degree and a Masters degree in Education, both from Hardin-Simmons University. For over a decade, Michael has been a leading voice in the area of maximizing individual and workplace impact. Michael has delivered his entertaining, dynamic and transformational message to over 1,000 companies and associations throughout the United States, Canada and Mexico. His undeniable energy and quest for excellence gives him a unique ability to quickly engage audiences and deliver presentations that are applicable and life changing. He has received numerous accolades and awards throughout his career in leadership development, as well. Michael is married to his wife Caroline and lives in Tuscola, Texas, where they are currently raising their two children.

Summer CTE Teacher Institute: Connecting CTE Educators to Skills that Advance Student Success

New Mexico Association for Career & Technical Education
Pre-Conference

Tuesday, June 11, 2019 (8:30 a.m. - 4:30 p.m.) AND/OR
Wednesday, June 12, 2019 (8:30 a.m. - 4:30 p.m.)

Description:

Don't miss the opportunity to attend the Summer CTE Teacher Institute Pre-Conference to learn proven strategies for CTE, share ideas with other CTE educators from across the state, and earn continuing professional education credits. This institute is designed to help CTE educators gain the latest knowledge and resources they need to be successful in the CTE classroom. Thus, this year's summer CTE Teacher Institute will provide two days of professional developing training on the following topics:

Tuesday, June 11, 2019 (8:30 a.m.-4:30 p.m.)

Designing authentic or simulated learning experiences requiring real-world use of industry-specific technologies;
Integrating an employability skills framework into your lessons; and
Improving business/industry engagement.

Wednesday, June 12, 2019 (8:30 a.m. – 4:30 p.m.)

Aligning curriculum, instruction, assessment, and evaluation,
Incorporating critical thinking and problem-solving skills; and
Motivating students.

You can attend both of these days or just the day that best fits your professional development needs. You will also need to bring your laptop or tablet device to this training because you will be provided with valuable and numerous resources through an online LiveBinder that will be utilized during the pre-conference days and accessible for as long as you need it as a CTE educator.

Cost:

For the price of the institute on each day, you will receive the following: a full day of hands-on training, lunch, breaks, and instructional materials that will significantly assist you in the classroom. Participants will also receive a "Certificate of Attendance" and 15 continuing professional education credits. The cost is \$80/participant per day or \$160/participant for both days.

Registration: Registration can be accomplished by completing the on-line registration process at: <http://www.thinkregistration.com/ACTE/NM/>

Information: Contact Dr. Cindy Miller at (575) 562-4124 or at cindy.miller@enmu.edu

NCCER Instructor Resource Training

New Mexico Association of Career Technical Education Pre-Conference
Wednesday, June 12, 2019 (1:00 p.m.—4:00 p.m.)

This information-packed pre-conference will include a brief overview of NCCER and an Informational review of NCCER's instructor resources. The list of Instructor resources include an online resource center with lesson plans and PowerPoints as well as online curriculum, online testing system, and program recruitment information from Build Your Future.

Cost: The pre-conference costs \$30 and covers the half day training, presentation materials and break-service.

Registration: Registration can be accomplished by completing the on-line registration process at:
<http://www.thinkregistration.com/ACTE/NM/>

Information: Information can be obtained by contacting Patty Bird at: 386-518-6912 or pbird@nccer.org

ServSafe Management Certification Class

NMACTE Pre-Conference
Wednesday, June 12, 2019 (8:00 a.m.—5:00 p.m.)

The ServSafe Program!

Food safety training is a commitment, a mindset and a smart business practice for every restaurant and foodservice operation in our industry. Food safety training doesn't end, however, once a manager earns certification. That's where it begins — by implementing food safety practices on a daily basis. It is also critical that every person in an operation meet today's food safety practice demands. The ServSafe® program provides the resources to help keep food safety an essential ingredient in every meal.

Cost

For the price of the seminar, you receive the following: a full day of training; ServSafe® Manager Book 6th Edition book; lunch; and a certification exam. Attendees who successfully complete the course and score higher than 75% on the exam will receive certification from the National Restaurant Association Educational Foundation, which is nationally recognized and valid for 5 years. (Training, Materials/Book, Certification Exam, Break Service and Lunch: \$155/ participant)

Registration

Complete the online registration process (**Must be done at least 20 business days prior to conference, to allow time to receive the book and study prior to arriving.**)

Google Classroom—Learn How to Fully Utilize the Capabilities!

NM Association of Career Technical Education Pre-Conference

Wednesday, June 12, 2019 (9:00 a.m.—12:00 noon)

—OR—

Wednesday, June 12, 2019 (1:00 p.m.—4:00 p.m.)

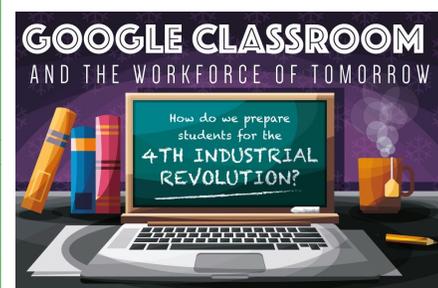

What you'll learn

- Understand how Google Classroom with impact teaching and learning
- Learn best practices for creating engaging assignments in Google Classroom
- Understand how to create quizzes and tests that automatically grade themselves
- Create a class in Google Classroom
- Change Classroom settings to encourage a positive learning environment
- Enroll students into a Classroom
- Create assignments and announcements
- Learn how to communicate with students using Google Classroom

Description

Do you have access to Google Apps for Education? Are you tired of printing, collecting, and grading worksheets? Do you want to create dynamic lessons for your students that engage them in new ways? Then this is the right course for you! This course is packed with simple to follow lessons that will show you how to use Google Classroom like an expert.

With Google Classroom, teachers can create dynamic lessons that are student centered, collaborative, and memorable. The presenter is an instructor who is continually trying to find ways to engage his students fully, while teaching for the past five years in online, blended, and bricks and mortar settings. Google Classroom provides an easy to use learning management system that students of all levels will be able to interact with. The trainer has taken the time to explore the ins and outs of Google Classroom and has identified the common pitfalls that come with using something new.

Cost: This pre-conference costs \$30 and covers the half day training, presentation materials and break-service.

Registration: Registration can be accomplished by completing the on-line registration process at: <http://www.thinkregistration.com/ACTE/NM/>
