Dear Mr. Griffin:

Thank you for your participation in and cooperation with the Administrative Review conducted by the New Mexico Public Education Department (PED) Student Success and Wellness Bureau (SSWB) conducted on December 11, 2018. After completing your Administrative Review our agency did not identify any findings of the Child Nutrition Programs at Turquoise Trail Charter School. Your school is in compliance with all federal and state regulations; therefore, your Administrative Review is officially closed.

If your School Food Authority (SFA) participates in the Seamless Summer Options (SSO) Program, your AR will remain open and will officially be closed once your SSO review occurs and is deemed adequate.

Our staff greatly appreciates the assistance and cooperation you provided. Should you require further technical assistance or training, please contact our office at (505) 827-3574.

Sincerely,
