## Empowering Students to Pursue Career Goals Workshop

On August 29, Advance CTE and the College and Career Readiness Bureau will host a free one-day workshop that will provide school counselors and career counseling professionals with information and resources needed to connect students with opportunities aligned with their career passions. Participants will emerge with an enhanced knowledge of the full range of education and career options, with a specific focus on Career Technical Education (CTE) and in-demand occupations, to empower students to explore career goals as well as expand their existing strategies for effective career advisement. Stay tuned for more information, or reach out directly to [CCRB](#) with questions.
