

Accessing Teacher Reports in SharePoint

The teacher reports for the 2018-2019 school year can be found at this link in SharePoint:

<https://eui.ped.state.nm.us/sites/ees/EducatorGrowth/Shared%20Documents/Forms/AllItems.aspx>

To access the reports please follow these steps:

1. Click on the link:
<https://eui.ped.state.nm.us/sites/ees/EducatorGrowth/Shared%20Documents/Forms/AllItems.aspx>
2. Enter your credentials you use to access STARS or the NMTEACH reports in the past.
3. Click on the folder associated with your district or charter school location. (Note: district charters will have access to their own files).
4. Inside the folder will be sub folders associated with your district or charter and from there additional folders by school. Inside the folder for each school will be the individual reports for each educator.

Should you need assistance with credentials please contact Regina Madrid at reginaa.madrid2@state.nm.us.

All other questions should be directed to Danielle Gothie, Director Educator Growth and Development Bureau at katya.gothie@state.nm.us
