

AGENDA ITEM EXECUTIVE SUMMARY

I. Public Education Commission Meeting Date: October 11, 2019

II. Item Title:

DISCUSSION AND POSSIBLE ACTION ON SCHOOL LOCATION WITHIN DISTRICT
AMENDMENT REQUEST FOR ALDO LEOPOLD CHARTER SCHOOL

III. Executive Summary:

Aldo Leopold Charter School is planning to relocate to the campus of Western New Mexico University and has already moved the high school classes there (at the start of the 2019-2020 school year). The tentative plan is to also move the middle school to Western New Mexico University next year (2020-2021).

Previously, in July 2018, Aldo Leopold submitted an Amendment Request regarding moving the high school but they did so on the old amendment form. A CSD staff member advised them to resubmit using the new policy and form, and to provide all supporting documentation - but that was never done.

The school's amendment request packet is complete and includes:

- Notification Form
- Governing Council Approval
- Narrative
- E Occupancy
- PSFA NMCI letter
- WNMU Lease
- Previous amendment request
