

About Us

- **The FBI National Citizens Academy Alumni Association (FBINCAAA)** and Local chapters of the FBI Citizens Academy Alumni Association (FBICAAA) support the mission of the FBI through community outreach programs, awareness initiatives and volunteer service.
- Established in 2007, **The FBI Albuquerque Citizens Academy Alumni Association (FBIACAAA)** is a non-profit, 501 (c) (3) organization which is separate and apart from the FBI. It supports local, state and federal law enforcement through community engagement, education and outreach.
- All 56 FBI Field Offices have a Citizens Academy community outreach program. They build strong partnerships with community leaders. We are joined by more than 42,000 graduates who serve as community and business leaders and are dedicated to making our neighborhoods safer and serving as volunteers by giving back through community outreach.

Our vision, Mission and Values

VISION

It is our vision to grow our FBIACAAA so that our organization has personnel and funds available to support the mission of the FBI through community outreach, training, education and charity programs across the state of New Mexico.

MISSION

Our mission of the FBI Albuquerque Citizens Academy Alumni Association (FBIACAAA) is to support the Albuquerque Division of the FBI through community outreach, training, education and philanthropic endeavors.

VALUES

We will conduct our programs with the highest degree of integrity and openness to our colleagues in the FBICAAA and our colleagues in the FBI.

2018 Philanthropy Highlights

- **Donation to NM Social Service** of 100 chargers and cables to meet critical needs
- **'Little Library' Donation** of 748 gently used books to the community, various libraries in Bernalillo County, the City of Rio Rancho, and the Corrales Community Library.
- FBIACAAA conference **"Community Crisis: Combating Opioid Addiction in New Mexico"** that pulled community constituents together to combat opioid

Events and Philanthropy

The FBI Albuquerque Citizens Academy Alumni Association (FBIACAAA) is a community-based support organization, distinct and separate from the FBI. It holds the vision of supporting community outreach efforts as ambassadors and on behalf of the FBI. We do this through educational presentations, humanitarian assistance, community outreach, rapport-building events and sharing of information with our families and communities. Our service and support effort carry emphasis on the mission, resources and limitations of the FBI and our Law Enforcement Community.

Typical Annual Events open to FBIACAAA Gold Shield Members and/or Alumni:

- Meet and greet with FBI Director
- Biannual breakfast meeting with FBI ABQ. SAC
- Invitational Speaker events
- Invitation to Board of Directors Meetings
- 'Meet your local FBI Agent' Events and learn about serving your community
- Alumni social events
- Annual general meeting
- Support FBI ABQ. outreach initiatives

Typical Philanthropy and Outreach:

- Adopt-A-School
- Holiday Outreach
- Little Library to promote literacy in the community
- Community aligned initiatives addressing threats, risks, crisis, trends which affect our youth and community

FBIACAAA

&

**NM Public Education Department
(NMPED)**

Partnership and Collaboration

FBIACAAA & NMPED Partnership and Collaboration extends to:

- All initiatives with NMPED lead by FBIACAAA will focus on **needs** identified by NMPED and/or school districts aligned to FBIACAAA mission.
- Building a lasting relationship with the NMPED to provide community outreach services across the School Districts
- Creating a partnership that allows for mutually beneficial outreach efforts in support of the threats, risks, crisis and trends that effect our youth and educational staff
- Creating a partnership that provides insight, services and benefits with the Law Enforcement Community in response to events or in response to career opportunities
