

2017/2018 New Mexico State Report on Student Support and Academic Enrichment (ESA Title IV Part A)

Subgrantee	FY17-18 SSAE (Title IV) Content Area Addressed	SSAE (Title IV) FY17-18 Award amount Allocated by Content Area	Total amount of SSAE (Title IV) FY17-18 Award spent by Content Area	Status of activities for each SSAE (Title IV) Content Area	Type of schools that benefited from SSAE funded activities	Names of schools that benefitted from SSAE funded activities	Estimated number of students who benefited from SSAE funded activities	Estimated number of staff who benefitted from SSAE funded activities	Program Objectives
Alamogordo	School conditions that create healthy and safe school environments (4108)	\$8,363.00	\$3,470	Activities fully implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Alamogordo High School	4	1	Quality: Improve quality of existing evidence based programs.
					are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Alamogordo High School	4	1	Professional Development: Increase capacity of staff to implement evidence based programs.
Alamogordo	Effective use of data and technology (4109)	\$3,681.00	\$2,885.09	Activities fully implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Alamogordo High School	4	1	Quality: Improve quality of existing evidence based programs.

Albuquerque Public Schools	Well-rounded education for all students (4107)	FAFSA \$38,345; AP \$158,100; Co-Pilot \$15,300; GRADS \$12,500	FAFSA \$4,879; GRADS \$12,500	Activities partially implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	APS Charter School - La Academia de Esperanza, Manzano High School, Del Norte High School, Sandia High School, Albuquerque High School, Cibola, Atrisco Heritage High School, New Futures High School, Valley HS, Highland HS	469	NA	Access: Increase access to existing evidence based programs.
Albuquerque Public Schools	School conditions that create healthy and safe school environments (4108)	Mental health contract \$149,942; Attendance and family engagement coordinators, school garden specialist \$276,534	\$0	No activities implemented			NA	NA	NA
Amy Biehl High School State	Well-rounded education for all students (4107)	\$6,890.08	\$4,992.76	Activities fully implemented	are implementing targeted support and improvement plans as described in section 1111(d)(2); or	Amy Biehl High School	8	1	New: Implement new evidence based programs.
Amy Biehl High School	Effective use of data and technology (4109)	\$16,173.63	\$11,250.00	Activities fully implemented	are implementing targeted support and improvement plans as described in section 1111(d)(2); or	Amy Biehl High School	247	9	Access: Increase access to existing evidence based programs.
Artesia	Well-rounded education for all students (4107)	\$28,614.00	\$24,737.55	Activities fully implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Artesia Intermediate	635	40	Access: Increase access to existing evidence based programs.
						Artesia Junior High	610	59	Access: Increase access to existing evidence based programs.

						Artesia High	825	73	Access: Increase access to existing evidence based programs.			
Belen Consolidated	School conditions that create healthy and safe school environments (4108)	\$20,402.00	\$12,625.33	Activities partially implemented	are implementing targeted support and improvement plans as described in section 1111(d)(2); or	Belen High School	75	3	Quality: Improve quality of existing evidence based programs.			
					are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Belen HS Daycare	15	19	Access: Increase access to existing evidence based programs.			
												New: Implement new evidence based programs.
												Professional Development: Increase
Belen Consolidated	School conditions that create healthy and safe school environments (4108)	\$150,000.00	\$13,769.76	Activities partially implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Belen Middle School, La Merced Elementary, Dennis Chavez Elementary, Central Elementary	1536	95	New: Implement new evidence based programs.			
Bernalillo	School conditions that create healthy and safe school environments (4108)	\$9,766.82	\$3,656.00	Activities partially implemented	are identified for comprehensive support and improvement under section 1111(c)(5)(D)(i);	Bernalillo High School	6	N/A	Quality: Improve quality of existing evidence based programs.			
Central Consi	School conditions that create healthy and safe school environments (4108)	\$28,461.00	\$4,101.63	Activities partially implemented	are implementing targeted support and improvement plans as described in section 1111(d)(2); or	Career Prep High School		1	Professional Development: Increase capacity of staff to implement evidence based programs.			

olidated					are implementing targeted support and improvement plans as described in section 1111(d)(2); or	Career Prep High School	150		Quality: Improve quality of existing evidence based programs.
Cesar Chavez Community	School conditions that create healthy and safe school environments (4108)	\$16,900.00	\$6,950.00	Activities partially implemented	have the highest percentages or numbers of children counted under section 1124(c);	Cesar Chavez Community School	16	8	Access: Increase access to existing evidence based programs.
Cimarron	Well-rounded education for all students (4107)	\$39,870.00	\$13,906.00	Activities fully implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Cimarron Elementary-Mid School-HS Eagle Nest Elem-Mid School	359	0	Quality: Improve quality of existing evidence based programs.
Coral Community	Effective use of data and technology (4109)	\$20,000.00	\$20,000.00	Activities fully implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Coral Community Charter School	240	17	Professional Development: Increase capacity of staff to implement evidence based programs.
Deming	School conditions that create healthy and safe school environments (4108)	\$11,395.84	\$0.00	Activities partially implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Deming High School	17	1	Quality: Improve quality of existing evidence based programs.
Deming	School conditions that create healthy and safe school environments (4108)	\$18,000.00	\$0.00	Activities fully implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Bell Elementary, Bataan Elementary, Chaparral Elementary, Columbus Elementary, Memorial Elementary, Ruben Torres Elementary	1000	50	Access: Increase access to existing evidence based programs.

Elida	Well-rounded education for all students (4107)	\$28,045.00	\$18,678.36	Activities fully implemented	are among schools which have been determined as being of the “greatest need” by such LEA or consortium;	Elida High School	50	2	New: Implement new evidence based programs.
Farmington	Well-rounded education for all students (4107)	\$90,923.44	\$4,888.65	Activities partially implemented	have the highest percentages or numbers of children counted under section 1124(c);	Tibbetts Middle School, Heights Middle School, Hermosa Middle School, Mesa Vie Middle School	98	45	New: Implement new evidence based programs.
Farmington	School conditions that create healthy and safe school environments (4108)	\$68,961.54	\$28,796.40	Activities partially implemented	have the highest percentages or numbers of children counted under section 1124(c);	Tibbetts Middle School, Heights Middle School, Hermosa Middle School, Mesa Vie Middle School	2537	45	New: Implement new evidence based programs.
					are among schools which have been determined as being of the “greatest need” by such LEA or consortium;	Farmington High School, Piedra Vista High School, Recenante High School	786		Quality: Improve quality of existing evidence based programs.
Farmington	Effective use of data and technology (4109)	\$73,022.40	\$0.00	No activities implemented	are among schools which have been determined as being of the “greatest need” by such LEA or consortium;	Farmington High School, Piedra Vista High School	2896	40	Professional Development: Increase capacity of staff to implement evidence based programs.

Gadsden	School conditions that create healthy and safe school environments (4108)	\$125,000.00	\$96,485.00	Activities partially implemented	are identified for comprehensive support and improvement under section 1111(c)(5)(D)(i);	Anthony Elementary, Berino Elementary, Chaparral Elementary, Desert Trail Elementary, Desert View Elementary, Gadsden Elementary, Loma Linda Elementary, La Union Elementary, Mesquite Elementary, North Valley Elementary, Riverside Elementary, Santa Teresa Elementary, Sunland Park Elementary, Sunrise Elementary, Vado Elementary, and Yucca Heights Elementary	964	Approximately 12 staff members	Access: Increase access to existing evidence based programs.
					have the highest percentages or numbers of children counted under section 1124(c);	All elementary Schools Anthony Elementary, Berino Elementary, Chaparral Elementary, Desert Trail Elementary, Desert View Elementary, Gadsden Elementary, Loma Linda Elementary, La Union Elementary, Mesquite Elementary, North Valley Elementary, Riverside Elementary, Santa Teresa Elementary, Sunland Park Elementary, Sunrise Elementary, Vado Elementary, and Yucca Heights Elementary	7000	Approximately 64 staff members	Quality: Improve quality of existing evidence based programs.

					are among schools which have been determined as being of the “greatest need” by such LEA or consortium;	All elementary Schools Anthony Elementary, Berino Elementary, Chaparral Elementary, Desert Trail Elementary, Desert View Elementary, Gadsden Elementary, Loma Linda Elementary, La Union Elementary, Mesquite Elementary, North Valley Elementary, Riverside Elementary, Santa Teresa Elementary, Sunland Park Elementary, Sunrise Elementary, Vado Elementary, and Yucca Heights Elementary	7000	Approximately 64 staff members	Quality: Improve quality of existing evidence based programs.
					are implementing targeted support and improvement plans as described in section 1111(d)(2); or	La Union Elementary Sunland Park Elementary Sunrise Elementary	964	Approximately 12 staff members	Access: Increase access to existing evidence based programs.
GMCS	School conditions that create healthy and safe school environments (4108)	\$18,588.00	\$15,836.00	Activities partially implemented	are among schools which have been determined as being of the “greatest need” by such LEA or consortium;	Central High School	42	4	Access: Increase access to existing evidence based programs.
						Rehoboth Christian School (private school)	200		Quality: Improve quality of existing evidence based programs.
Grady	Well-rounded education for all students (4107)	\$10,000.00	\$0.00	No activities implemented					
Hatch Public Schools	School conditions that create healthy and safe school environments (4108)	\$21,430.00	\$20,294.91	Activities fully implemented	are among schools which have been determined as being of the “greatest need” by such LEA or consortium;	HVHS	12	2	Quality: Improve quality of existing evidence based programs.

Hobbs	Well-rounded education for all students (4107)	4000	4000	Activities fully implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Hobbs High/Hobbs Freshman High	350	130	Professional Development: Increase capacity of staff to implement evidence based programs.
Hobbs	School conditions that create healthy and safe school environments (4108)	\$10,500.00	\$10,500.00	Activities fully implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Hobbs High/Hobbs Freshman High	350	130	Quality: Improve quality of existing evidence based programs.
					have the highest percentages or numbers of children counted under section 1124(c);	Hobbs High/Hobbs Freshman High	350	130	Quality: Improve quality of existing evidence based programs.
Hobbs	Effective use of data and technology (4109)	\$4,000.00	\$4,000.00	Activities fully implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Hobbs High/Hobbs Freshman High	350	130	Quality: Improve quality of existing evidence based programs.
					have the highest percentages or numbers of children counted under section 1124(c);	Hobbs High/Hobbs Freshman High	350	130	Quality: Improve quality of existing evidence based programs.
Hondo Valley	Well-rounded education for all students (4107)	\$15,080.00	\$15,080.00	Activities fully implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Hondo Valley Elementary	75	7	Professional Development: Increase capacity of staff to implement evidence based programs.
Hondo Vall	Effective use of data and technology (4109)	\$66,772.00	\$66,614.00	Activities fully implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Hondo Valley High School	68	4	Professional Development: Increase capacity of staff to implement evidence based programs.

ley					are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Hondo Valley High School	14	2	New: Implement new evidence based programs.
Las Cruces	School conditions that create healthy and safe school environments (4108)	\$145,171.25	\$73,801.92	Activities partially implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Zia Middle School; Camino Real Middle School; Lynn Middle School, Mesilla Valley Leadership Academy; BT Washington Elementary; Valley View Elementary; Sonoma Elementary	500	300	Professional Development: Increase capacity of staff to implement evidence based programs.
					are identified for comprehensive support and improvement under section 1111(c)(5)(D)(i);	Dona Ana Elem., Dersert Hills Elem., Highland Elem., Hermosa Elem., Booker T. Washington Elem., Fairacres Elem., East Picacho Elem., University Hills Elem., Cesar Chavez Elem., Alameda Elem., Loma Heights Elem., Mesilla Elem., Tombaugh Elem., MacArthur Elem., Sonoma Elem., Crossroads Elem., Sunrise Elem., Lynn Middle, Picacho Middle, Mesa Middle, Mayfield High, Camino Real Middle, Centennial High, Onate High, Central Elem., Vista Middle, Zia Middle, Sierra Middle	3000	72	New: Implement new evidence based programs.
					are identified for comprehensive support and improvement under section 1111(c)(5)(D)(i);	Las Cruces High School; Onate High School; Rio Grande Preparatory Institute	25	4	Quality: Improve quality of existing evidence based programs.
					are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Crossroads	42	9	Quality: Improve quality of existing evidence based programs.

Charter Las Montanas	School conditions that create healthy and safe school environments (4108)	\$24,000.00	\$24,000.00	Activities fully implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Las Montanas High School	154	18	Quality: Improve quality of existing evidence based programs.
Los Lunas	School conditions that create healthy and safe school environments (4108)	\$26,146.00	\$5,193.63	Activities fully implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Century High School	23	4	Access: Increase access to existing evidence based programs.
Lovington	School conditions that create healthy and safe school environments (4108)	\$11,408.00	\$11,087.40	Activities fully implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Lovington High School	3	1	Access: Increase access to existing evidence based programs.
Magdalena	School conditions that create healthy and safe school environments (4108)	\$11,880.00	\$9,555.00	Activities fully implemented	are identified for comprehensive support and improvement under section 1111(c)(5)(D)(i);	Magdalena High School	20	3	Access: Increase access to existing evidence based programs.
					are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Magdalena High School	20	3	Access: Increase access to existing evidence based programs.
Magdalena	Well-rounded education for all students (4107)	\$6,956.00	\$5,887.00	Activities fully implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Magdalena Elementary, Middle, and High School	300	15	Quality: Improve quality of existing evidence based programs.
					are identified for comprehensive support and improvement under section 1111(c)(5)(D)(i);	Magdalena Elementary, Middle, and High School	300	15	Access: Increase access to existing evidence based programs.

Magdalena	Effective use of data and technology (4109)	\$6,200.00	\$0.00	No activities implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Magdalena Elementary	0	0	Access: Increase access to existing evidence based programs.
					are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	Magdalena Elementary	0	0	Professional Development: Increase capacity of staff to implement evidence based programs.
MAS Charter	Well-rounded education for all students (4107)	\$24,440.00	\$24,440.00	Activities fully implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	MAS Charter School	886	65	Access: Increase access to existing evidence based programs.
REC2	Well-Rounded Education for all students (4107)	\$23,986.87	\$22,059.63	Activities partially implemented	are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	All (5) District Schools (see school level details)	1833	148	New: Implement new evidence based programs.
					are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	All (5) District Schools (see school level details)	1833	148	Professional Development: Increase capacity of staff to implement evidence based programs.
Cooperative #2	School conditions that create healthy and safe school environments (4108)	\$55,863.50	\$44,820.65	Activities partially implemented	are identified for comprehensive support and improvement under section 1111(c)(5)(D)(i);	Mesa Vista Middle School - Jemez Mountain Coronado Middle School - Cuba High School	327	28	Professional Development: Increase capacity of staff to implement evidence based programs.
					are among schools which have been determined as being of the "greatest need" by such LEA or consortium;	All (5) District Schools (see school level details)	1833	148	New: Implement new evidence based programs.
