

Troops to Teachers

We can put you on the best pathway to teaching.

Assisting you in transitioning to a career in teaching is our mission. Partner with us to discover whether teaching is right for you.

- We provide individual counseling to assist you in exploring and selecting the best pathway to teaching based on your unique needs and goals.
- We provide informed guidance on how to meet state teaching certification requirements and how to select a certification program.
- Completion of a bachelor's degree may not be required to obtain an initial teaching certification.
- After program registration, the Troops to Teachers National Office will determine your eligibility for financial assistance and incentives to assist with licensing costs or as an incentive for teaching in a high-need school.
- Where you teach is your decision.
