

Industry-Recognized Credentials and Certificates

The options available to students in the world of Career and Technical Education are constantly evolving and growing. However, with the exception of additions to the list of credentials and certificates below, the list will not be subject to change for the class of 2022.

The PED will continue to review and explore new certificates and credentials and welcomes petitions for the inclusion of new credentials and certificates. Those seeking to make a petition should email the College and Career Readiness Bureau at grad.questions@state.nm.us. Petitions should be supported by a rationale (e.g., XYZ certification is a rigorous assessment that is aligned with industry standards, is valued in the field among hiring managers, and assesses high levels of math that correspond with common core algebra I and geometry standards.)

Decisions of whether to accept petitions for additional credentials and certificates will be made by the PED on a case-by-case basis.

Content Area	Industry-Recognized Credentials and Certificates
Mathematics	Auto CAD Automotive Service Technician (ASE) Certification: Autodesk Revit Architecture Certified User Heavy Line National Center for Construction Education & Research (NCCER) Carpentry NCCER Electrical NCCER HVAC NCCER Industrial Maintenance NCCER Masonry NCCER Plumbing NCCER Sheet Metal NCCER Welding
Reading	N/A
Writing	Marketing Management Entrepreneurship

Content Area	Industry-Recognized Credentials and Certificates
Science	Automotive Service Technician (ASE) Basic Wildland Firefighting Certification Certificate in Biofuels Certificate in Emergency Medical Technician—Basic Certification: Gas Metal Arc Welding Certification: Gas Tungsten Arc Welding Certification: Shielded Metal Arc Welding Certified Coding Associate (CCA) Certified Medical Assistant (CMA) Certified Novell Administrator Certified Nurse Aide (CNA) Certified Web Designer Certified Web Technician Comp TIA Security+ Comp TIA Server+ Computer Maintenance Technician Dental Assistant Dental Radiography (RHA) Emergency Medical Technician (EMT) Flux Core Arc Welding D9.4 4 2F i-Net+ Certification jCert JAVA Programmer Certification Pharmacy Technician (CPHT) PhlebFlux Core Arc Welding D9.4 4 2F i-Net+ Certification jCert JAVA Programmer Certification Licensed Vocational Nurse (LVN) Macromedia Director Certification Microsoft Technology Associate: Windows Operating System Fundamentals National Health Care Foundation Skill Standards NCCER Welding Pharmacy Technician (CPHT) Phlebotomy Technician (CPT) Welding Technician Veterinary Technician Certification
