SECRETARY OF EDUCATION

MICHELLE LUJAN GRISHAM
GOVERNOR

July 22, 2020

To whom it may concern:

In accordance with NMSA 22-15-8, the Instructional Material Bureau has conducted the 2020 summer review institute. The adoption was for grades 9–12 English Language Arts, Spanish Language Arts, English Language Development, and World Languages instructional materials. The summer review institute was to review the research-based instructional materials to determine their alignment with New Mexico academic content and performance standards, and other relevant criteria. The reviewers of the instructional materials were Level II and III New Mexico teachers.

The instructional materials listed as core instructional material (CIM) that scored at 90 percent or better are recommended; those that scored 80 to 89 percent are recommended with reservations; and those that scored below 80 percent are not recommended and not included on the adopted multiple list. Scores have been rounded to determine their recommendation for adoption designation. Materials listed as supplementary instructional material (SIM) are ancillary materials. Materials may be print, digital, or both.

I hereby authorize the adoption of the grades 9-12 English Language Arts, Spanish Language Arts, English Language Development, and World Languages instructional materials to the adopted multiple list.
