SUMMER/FALL 2020 WEEKEND DATES & GUIDANCE

The New Mexico Public Education Department (NMPED) does not oversee ACT or SAT weekend testing. Weekend testing sites are established and operate under separate agreements established between ACT and College Board and each local testing site.

Weekend testing centers in New Mexico should operate in compliance of the current social distance guidelines as well as guidelines provided by ACT and College Board.

NMPED extends the following links and to assist weekend testing centers in their planning:

Questions about SAT School Day testing should be directed to your student's local District or State Charter Test Coordinator (DTC).
