* It is not a requirement to follow the adoption cycle; it is recommended in order to have access to the most current materials as they are created.

** Orders may be placed after the initial allocation is published; however, delivery cannot occur until on or after the first day of the new fiscal year, unless using carry-over. Deliveries that occur prior to July 1 will be charged to the current fiscal year and not to the upcoming fiscal year.

*** The Arts and Career & Technical Education have been moved up in the adoption cycle to balance costs from year to year.
