

New Mexico Public Education Commission Charter Schools Division

2021 New Charter School Application Kit Part B. Executive Summary

Part B: Executive Summary

This section should be two to three pages long and address, in a narrative form, the following points:

- Your proposed school's name and a description of the charter school's projected students, including key demographic data (academic performance, home languages, special populations), based on the local community or the school district in whose geographic boundaries the charter school applies to operate
- Where the charter school's projected students are most likely being educated currently and why they are expected to choose the proposed charter school for their future educational needs
- Evidence that there is a community need for a school of this nature in the local community or the school district in whose geographic boundaries the charter school applies to operate. Note: NMSA 1978 § 22-8B-6(L)(5) provides, "[a] chartering authority may approve, approve with conditions or deny an application. A chartering authority may deny an application if...the application is otherwise contrary to the best interests of the charter school's projected students, the local community or the school district in whose geographic boundaries the charter school applies to operate." Evidence of community need is required. Specific data and evidence is required in the application itself. Therefore, specific statistical information does not need to be provided here.
- The key innovative and unique programmatic features the school will implement to accomplish its mission (non-traditional school year, longer school day, partner organizations, etc.)
- How you project that the school will improve student achievement and exceed the academic performance of the existing public schools in the local community or the school district in whose geographic boundaries the charter school applies to operate. Provide a brief summary of any data you have to support this assumption.
- The founders of the proposed school, their background, and expertise
- If different from the list provided above, the proposed founding governing board
