Patricia Gipson, Chair District 7, Las Cruces

Melissa Armijo, Member District 1, Albuquerque

David L. Robbins, Member District, 2, Albuquerque

Glenna Voigt, Member District 3, Albuquerque

Rebekka Burt, Member District 4. Los Alamos

Georgina Davis, Member District 5, Gallup, Farmington

Michael Chavez, Member District 6, Socorro

Michael Taylor, Member District 8. Roswell

KT Manis, Ph.D., Member District 9, Hobbs

Steven Carrillo, Member District 10, Espanola

## NOTICE OF INTENT TO SUBMIT CHARTER APPLICATION INSTRUCTIONS

According to NMSA § 22-8B-6(B) the Notice of Intent to Submit a Charter Application ("NOI") must be filed by the organizers of a proposed charter school to the Public Education Commission at the address below <u>AND</u> to the superintendent of the school district in which the charter school is proposed to be located. *Failure to notify may result in your application being rejected*.

The NOI must be submitted by 5:00 PM Mountain Time by the second Tuesday of January. Notices of Intent that are not received by the Public Education Commission and the superintendent of the local school district by the deadline may result in the application being rejected. When you send the NOI to the superintendent of the school district in which your charter is to be located, you are strongly encouraged to send it by certified mail return receipt requested, or request a signed receipt when you deliver the NOI. Contact the local district regarding electronic filing.

Notice to the Public Education Commission should be delivered by one of the following methods:

Electronically to: charter.schools@state.nm.us

By mail or personal delivery\*: PUBLIC EDUCATION COMMISSION

c/o New Mexico Public Education Department

Attn: Options for Parents and

Families/Charter Schools Division 300 Don

Gaspar, Room 301

Santa Fe, New Mexico 87501

The NOI is intended to provide the Public Education Commission with the primary point of contact among the charter developers, and preliminary information about the charter proposal, such as the school's mission statement, the school's focus, the representative student population in the intended location, enrollment projections, key innovation, etc. (not to exceed 5 pages).

<sup>\*</sup>Due to the health crisis, the PED Building may be closed and, therefore, unable to accept personal deliveries.

If YES, describe the entity and the role it will have in the school's operational plan.

No

Does the applicant team or any members of the team currently operate any other schools? $\Box$ Yes $\Box$ No
Vision/Mission statement (2-3 sentences)
Our mission is to utilize New Mexico's solar energy potential in modern construction and design. We will educate the youth of this region to obtain necessary skills to enter the environmental fields and contribute to a sustainable future.
Student population and geographical setting of the school
<ul> <li>Define the targeted geographical area of the proposed school from which you expect to draw a significant number of your students.</li> </ul>
Town of Bernallio and surrounding communities.
<ul> <li>Describe the student population including key demographic data (academic performance, home languages, English Learners (ELs), and special education populations) in the location in which the school intends to locate.</li> </ul>
The student population consists of mostly Hispanic/Latinx, Native American, and other students interested in hands-on, sustainable design and solar energy.
<ul> <li>Identify where these students are most likely being educated currently and why they are expected to choose the proposed charter school for their future educational needs.</li> </ul>
Bernalillo High School.
Students interested in STEM, Renewable Energy and Environmental Fields.
,

	Based on lack of any other alternative ed	ducation hesides Bernalillo High School
	based off fack of any other afternative et	ducation besides bernaillo riigh school.
		ne school will implement in order to help it realize its
	ion/mission (e.g., non-traditional school yends on learning and partnering with local F	ear, longer school day, partner organizations, etc.). Federal labs, and UNM.
pc	pulation, and/or plans to improve student	ve than the schools currently serving the targeted student achievement and exceed the academic performance of area and any data you have to support this assumption.
	_	ng ELLs and SPED students, and the ReS Academy erging fields of solar energy and sustainable design.
	Note: Should your charter be awarded, the odetermine if it qualifies to be a board of	e founding governing body could undergo a background public finance in the state of New Mexico.
