

## URLs to be Accepted for SAT® Testing

---

To ensure school coordinators receive email communications from College Board and are able to configure the College Board computer-based testing platform, the following URLs should be accepted by district technology staff.

List of sites to be accepted for College Board

- digitaltesting.collegeboard.org
- sso3.cambiumast.com/auth/realms/collegeboard/account
- cb.tide.cambiumast.com
- cambiumassessment.com

Include these AIR URLs in addition to those listed above:

- sso3.airast.org/auth/realms/collegeboard/account
- cb.tide.airast.org
