District:	APS Authorizer	
School:	Gordon Bernell	
District / Charter Contact Name	Kimberlee Hanson	District/Charter Signature: <i>Kimberlee K. Hanson</i>
Fire Marshal/ PED Staff Name	Joseph Escobedo, Albuquerque Public Schools	Fire Marshal/ PED Staff Signature: Joseph Escobedo <small>Digitally signed by Joseph Escobedo DN: cn=Joseph Escobedo, ou=Albuquerque Public Schools, ou=Charter Schools, email=jescobedo_aps@aps.k12.nm.us, date=2021.02.12 12:54:17 -0700</small>
Current Status Yes or No	Safe Practice	Notes/ Checklist
Yes	Multi-ply cloth masks available and utilized by all staff and students, over the nose and mouth, secure under the chin, snug on face with no gaps.	Extra cloth masks for staff? Yes, K-95 masks for staff, face shields, and goggles. Extra cloth masks for students? Yes 100 Extra. Extra disposable masks? Yes 100 Extra.
Yes	Classrooms and commons areas are set up for 6 feet social distancing with 50% student enrollment in place.	Are desks marked for A/B cohorts? Not marked, but number of desks in the room is limited to number of students who are attending the class. Are desks/ students facing one direction? Yes Marks on floors? No Plexiglass barriers/Shields? Yes to both
Yes	If applicable, cafeteria (or other congregate feeding area) is set up for 6 feet social distancing and cohorts of students are not mixed.	Facing same direction? Students will have the opportunity for lunch/eating in their classroom space. The dining room is closed.
Yes	Hand sanitizer that contains at least 60% alcohol is available across the school and ample cleaning supplies in place. Soap and supplies in bathrooms are ample with reliable running water.	Location of sanitizer and cleaning supplies? Entry station, in classrooms, and one in each of the rooms in the school.
Yes	Sanitization protocols in place that address daily cleaning and disinfection with particular attention to <u>frequently touched surfaces</u> (doors, doorknobs, globes, tetherballs, etc) including building, playground and buses.	What are the sanitization protocols? Students will clean their stations at the end of their 3-hour block, teachers will clean all high touch points, and then the custodians do an evening deep clean following a specific checklist. Any special equipment to note? Thermal stations - no touch temperature checking station. Sanitization logs accessible and posted across the school site? Yes Lockers? N/A
Yes	School doors and windows are operable and other air filtration measures in place. • Fans in place - where? • Dampers open to increase airflow? • Open doors and windows? • Air filters in place?	Filters replaced (MERV 9); HEPA air filters, one per classroom; Fans stationed in the classroom. Windows can be opened weather permitting if operable. Fans will be ordered to circulate air throughout the building. Classrooms that have access to individual cooling units that work with the windows open so HVAC does not have to be in use. The idea is to avoid centralized heat, weather permitting March 1st. The swamp cooler will not be utilized.
Yes	School ventilation systems are functional and meet standard.	See above. Number of units? 2 HEPA Filters? MERV # (9/10/11/12/13)? Merv 9
Yes	Evacuation plan in place that maintains 6 feet social distancing. Dismissal process in place that maintains social distancing.	Describe building evacuations due to fire (Consider offsite evacuations also) - exit routes have been modified to ensure 6' distance.
Yes	Isolation rooms for symptomatic individuals in place and protocols for students exhibiting symptoms on buses (report directly to isolation room) in place.	Preferably not the health office due to need to distribute medication or other health issues. Is restroom nearby? Yes, an emergency nurse station will be used to support any needs if isolation in the "nurse's office needs to occur."
Yes	Protocols and signage in place for entrance into the building including temperature and other symptoms check.	Yes.
Yes	Signage across the school site that includes expectations for prevention practices: frequently washing hands, avoiding touching eyes, nose, and mouth, wearing masks, staying 6 feet apart and direction of traffic.	Signage in multiple languages as appropriate? Yes
General Notes (add a brief description of the hybrid model used and target reopening date) Grades Served? 9-12 Total student population? 140 Number expected to remain remote? 122 Target start date for hybrid in-person learning: 3/1/21 Briefly describe the hybrid model (cohort groups; days; etc): There are 6 (3 hour slots) per day for adult students who will sign up for individualized learning on campus. The daily GBCS contact tracing system will be a record of students on campus. Job Corps cohorts of 12 students will attend every other week. Deep cleaning every Friday.
