	Down	
	Safe Practice	Notes
Fully Implimented	Multi-ply cloth masks available and utilized by all staff and students, over the nose and mouth, secure under the chin, snug on face with no gaps	Extra disposable masks on hand? All teachers have been given cloth HMS masks for each student and have extra if needed. There are disposable masks in the lobby area
Fully Implimented	Classrooms and commons areas are set up for 6 feet social distancing and less than 50% student class size in place	Classrooms are set in an A-B formation. There is 6 feet between each seat labeled A and each seat labled B.
Fully Implimented	If applicable, cafeteria (or other congregate feeding area) is set up for 6 feet social distancing and cohorts of students are not mixed	Cafeteria is going to be utilized. There will be three students per table. From seat to seat there is 8 ft. Students will face the same direction and not mix groups
Fully Implimented	Hand sanitizer that contains at least 60% alcohol is available across the school	Classrooms have and installed hand sanitizer station as well as various hand sanitizer bottles around the room. Santizer follows the the requirement of 60% alcohol. Classroom sinks have soap and signage for students for usage. These are checked daily by custodial staff.
Fully Implimented	School doors and windows are operable	There are no windows in Coronado, however there are three doors per classroom that allow for airflow.
Fully Implimented	School ventilation systems are functional and meet standard	What type of filtration is in place? Merv 13 filters have been installed
Fully Implimented	Evacuation Plan in place that maintains 6 feet social distancing	Students will maintain a 6 foot distance while in an evacuation. Teachers will and have reviewed this procedure with students. Students continue to follow markings throughout the school hallways to maintain the distancing.
