 Responsibility of staff to train and maintain CSP (COVID Safe Practices) All custodians have been provided a daily schedule as well as daily tasks including high touch cleaning and sanitation.

Dampers open to increase airflow - School must communicate with M&O (Maintenance & Operations)

MERV 9 - School must communicate with M&O (Maintenance & Operations)

yes Multi-ply cloth masks available and utilized by all staff and students, over the nose and mouth, secure under the chin, snug on face with no gaps.

yes Classrooms and commons areas are set up for 6 feet social distancing with 50% student enrollment in place.

yes If applicable, cafeteria (or other congregate feeding area) is set up for 6 feet social distancing and cohorts of students are not mixed.

yes Hand sanitizer that contains at least 60% alcohol is available across the school and ample cleaning supplies in place. Soap and supplies in bathrooms are ample with reliable running water.

yes Sanitization protocols in place that address daily cleaning and disinfection with particular attention to frequently touched surfaces including both building, playground and buses.

yes School doors and windows are operable and other air filtration measures in place.

yes School ventilation systems are functional and meet standard.
