As NMPED prepares to move to Canvas for our Elevate NM tool and platform, the department needs to know the contact information for the person who will be your district's or charter school's Field Administrator. Important new Canvas training will be required of each Field Administrator. PED will be hosting two training opportunities either on May 19th at 9 am - 12 pm or May 20th 1 pm - 4 pm.

Field Administrators will only need to attend one session.
