RYAN STEWART, ED.L.D.
SECRETARY OF EDUCATION

MICHELLE LUJAN GRISHAM
GOVERNOR

July 20, 2021

To whom it may concern:

In accordance with NMSA 22-15-8, the Instructional Material Bureau has completed the 2021 summer review institute. The adoption was for grades K-8 English Language Arts, Spanish Language Arts, English Language Development, and World Languages instructional materials. The summer review institute was to review the research-based instructional materials to determine their alignment with New Mexico academic content standards and criteria for determining quality. The reviewers of the instructional materials were Level II and III New Mexico teachers.

The instructional materials listed as core instructional material (CIM) that scored at 90 percent or better are recommended; those that scored 80 to 89 percent are recommended with reservations; and those that scored below 80 percent are not recommended and not included on the adopted multiple list. In addition, the materials were reviewed against specific criteria to determine the extent they are CLR for New Mexico students and the K-6 ELA materials were reviewed against specific criteria for components of Structured Literacy. Those that scored at 90 percent or higher on the CLR and Structured Literacy criteria are given specific recognition. Scores have been rounded. Materials recommended as supplementary instructional material (SIM) were not reviewed as they reinforce, enrich or enhance instruction driven by core instructional materials. Materials may be print, digital, or both.

I hereby authorize the adoption of the grades K-8 English Language Arts, Spanish Language Arts, English Language Development, and World Languages instructional materials to the adopted multiple list.

Respectfully,

7DFDA69D049749D...

Ryan Stewart, ED.L.D.
Secretary of Education
