**b. MOU for Renewal Schools**

PEC Attorney Barnes invited charter school attorney Patricia Matthews from the Matthews-Fox Law Firm to this work session to discuss the proposed Memorandum of Understanding (MOU) for renewal charter schools with the PEC.

Director Chavez mentioned that Contract, Performance Framework, and Site Visit Reports for schools will be posted. These reports were previously posted on Web-EPS for the schools to review.

The schools are being renewed this year have multiple versions of contracts and some schools are being asked to respond to the renewal application. Commissioner Burt and Chair Gipson commented that there seem to be three years of performance data for the schools whether it is called a letter grade (A-F) or Vistas prior to the COVID pandemic. Commissioners Carrillo and Robbins stated that schools will need to provide as much data as possible for renewal. Chair Gipson mentioned that PEC provides an opportunity for schools to provide this information in any format the school would like.

This MOU for Renewal Schools will be voted on at the PEC meeting tomorrow.
