

## Fall ACCESS for ELLs:

### Bubbling Language Codes for the Spring 2021 Extension

For those new DTCs needing assistance with state specific language codes for bubbling Fall ACCESS student information, the language codes for 2020-21 have been placed in the [Fall ACCESS Extension Google folder](#) for convenience. Language codes can be found every year in the STARS manual.

### October ACCESS for ELLs Q&A Webinars: Preparation for the Spring 2022

Please join WIDA and DRC to learn about the following ACCESS for ELLs topics:

- [Pre-Testing: Technology Installations](#) Tuesday, October 5, 12:00 PM MT
- [Pre-Testing: Ordering Materials in WIDA AMS](#) Tuesday, October 12, 12:00PM MT
- [Pre-Testing: Test Scheduling](#) Thursday, October 19, 12:00 PM MT

More information and login details can be found in the WIDA Secure Portal on the [Webinars](#) page. Technology Coordinators interested in attending technology-related webinars can find the [2021-22 Q&A Webinar Schedule for Technology Coordinators](#) on WIDA AMS.

The recordings for WIDA Q&A Webinars are posted to the WIDA Secure Portal on the [Webinars](#) page within a week of the presentation. Technology Coordinators may access recordings for technology-related webinars through the webinar schedule in WIDA AMS.

### Fall 2021 DTC Training Recordings Available in Canvas

All resources from the Fall 2021 DTC training including session recordings, presentations, and Q&A documents are now linked directly to the training schedule pages of your Canvas course. For DTC's that were unable to attend the live training, please email [canvas.admin@state.nm.us](mailto:canvas.admin@state.nm.us) to access and complete the [online version of the course](#) by watching the session recordings and reviewing the resources. Once complete, DTC's should send an email to [ped.assessment@state.nm.us](mailto:ped.assessment@state.nm.us) to receive the certificate of participation.

For questions about newsletter content, please email: [PED.Assessment@state.nm.us](mailto:PED.Assessment@state.nm.us)

## Istation Matematicas

Istation is searching for districts or charters to help them develop a new Spanish language assessment in Math. Potential participants should have at least 30 Spanish speakers (English Learners of Dual Language Program students) in grades K-5. The link to the participation form can be found [here](#). For more information, please send all questions to [ISIPMatematicas@istation.com](mailto:ISIPMatematicas@istation.com).

## PISA 2021 Field Test Window

The Program for International Student Assessment (PISA) window opened on Monday, September 20th and will extend until October 29th. Test Administrators (TAs) will work with school coordinators to coordinate assessment day logistics.

## Fall 2021 DTC Training Certificates

DTCs completed with fall training will receive certificates of participation by October 12.
