Dear A.C.E.S. Technical Charter School Board,

Good afternoon esteemed colleagues. I hope this letter finds you well. I am writing to you today to officially resign from my position as the board secretary and to leave the board.

Please know that this decision is not due to any person nor event. I have enjoyed my time of service with you and have learned so much. The mission of this school is innovative and noble. I know you will accomplish great things and am honored to know such intelligent and kind professionals dedicated to doing what is best for students.

However, as you know, I am a doctoral candidate, full time teacher, and a mother of five. Given my current circumstances, I have found myself unable to meet the requirements and responsibilities entailed with being a board member. After careful deliberation, I determined that it was best for me to allow someone who can fulfill these demands more diligently to replace me. My current position is not fair to the board, nor the students. You, and they, deserve more.

Respectfully,

A handwritten signature in black ink, appearing to read 'Cassandra M. Sims', with a stylized flourish at the end.
