Section 1: Standards Review: Media Arts
PROVIDER/PUBLISHER INSTRUCTIONS:

- Provider/Publisher citations for this section will refer to the **Teacher Edition (teacher-facing core material)** and **Student Edition/Student Workbook (student-facing core material)**. The cited Teacher Edition, Student Edition, and/or Student Workbook should correspond with titles and ISBNs entered on the Form F cover page, whether in print, online, or both. The review set submitted to the summer review institute should also correspond with what is cited on the Form F. If the review set is an online platform only, then that is what should be cited on the Form F and submitted for review by the review teams. If the review set is in print only, then that is what should be cited on the Form F and submitted for review by the review teams.
- For this section, the provider/publisher will enter two citations per standard (Columns E and I). Each citation should direct the reviewer to a specific location in the materials that best meets the standard. The citations should be concise and should allow the reviewer to easily determine that all components of the standard have been met. **Each citation should cover no more than 3 pages within the materials.**
- Column E:** Enter one citation in Column E from the **Student Edition/Student Workbook (student-facing core material)**. Each citation should direct the reviewer to a specific location in the materials that best meets the standard. **Any cells grayed out do not require a citation.**
- Column I:** Enter one citation in Column I from the **Teacher Edition (teacher-facing core material)**. Each citation should direct the reviewer to a specific location in the materials that best meets the standard. **Any cells grayed out do not require a citation.**
- The material will be scored for alignment with each standard as "Meets expectations," "Partially meets expectations," or "Does not meet expectations" based on the citations provided.
- NOTE:** You may not use a citation more than once across ALL sections of the rubric.

<p style="text-align: center;">Reviewer directions for Media Arts Standards Review:</p> <p>Columns E-H: The provider/publisher will provide a citation from the Student Edition or Student Workbook (student-facing core material), print and/or digital form the source. Review the cited material and score the material by determining the degree to which it meets the standard: o M = Meets the standard o P = Partially meets the standard o D = Does not meet the standard Evidence for each publisher citation is required if you score the materials with a D. For your evidence for each standard that scores a D, choose one of the options from the dropdown menu in Column G. If the reason for scoring the materials with a D is not one of the dropdown options, enter your own evidence statement in the cell in Column G. o Any cells grayed out do not require a citation or evidence. The score cells in those rows will automatically populate. o Each score cell (column J) and evidence cell (column L) will turn green as you score the materials.</p> <p>Columns I-L: The provider/publisher will provide a citation from the Teacher Edition (teacher-facing core material), print and/or digital form the source. Review the cited material, score the material by determining the degree to which it meets the standard, and provide evidence to support your determination: o M = Meets the standard o P = Partially meets the standard o D = Does not meet the standard o Any cells grayed out do not require a citation or evidence. The score cells in those rows will automatically populate. o Each score cell (column J) and evidence cell (column L) will turn green as you score the materials.</p>

Anchor Standard 1: Creating (Conceive): Generate and conceptualize artistic ideas and work.										
	Enduring Understanding: Media arts ideas, works, and processes are shaped by the imagination, creative processes, and by experiences, both within and outside of the arts. Essential Questions: How do media artists generate ideas? How can ideas for media arts productions be formed and developed to be effective and original?									
1	MA: Cr1.1.I	HS Proficient	Use identified generative methods to formulate multiple ideas, develop artistic goals, and problem solve in media arts creation processes.							
2	MA: Cr1.1.II	HS Accomplished	Strategically utilize generative methods to formulate multiple ideas, refine artistic goals, and increase the originality of approaches in media arts creation processes.							
3	MA: Cr1.1.III	HS Advanced	Integrate aesthetic principles with a variety of generative methods to fluently form original ideas, solutions, and innovations in media arts creation processes.							
Anchor Standard 2: Creating (Develop): Organize and develop artistic ideas and work.										
	Enduring Understanding: Media artists plan, organize, and develop creative ideas, plans, and models into process structures that can effectively realize the artistic idea. Essential Question: How do media artists organize and develop ideas and models into process structures to achieve the desired end product?									
4	MA: Cr2.1.I	HS Pr	Apply aesthetic criteria in developing, proposing, and refining artistic ideas, plans, prototypes, and production processes for media arts productions, considering original inspirations, goals, and presentation context.							
5	MA: Cr2.1.II	HS Acc	Apply a personal aesthetic in designing, testing, and refining original artistic ideas, prototypes, and production strategies for media arts productions, considering artistic intentions, constraints of resources, and presentation context.							
6	MA: Cr2.1.III	HS Adv	Integrate a sophisticated personal aesthetic and knowledge of systems processes in forming, testing, and proposing original artistic ideas, prototypes, and production frameworks, considering complex constraints of goals, time, resources, and personal limitations.							
Anchor Standard 3: Creating (Construct): Refine and complete artistic work.										
	Enduring Understanding: The forming, integration, and refinement of aesthetic components, principles, and processes creates purpose, meaning, and artistic quality in media artworks. Essential Questions: What is required to produce a media artwork that conveys purpose, meaning, and artistic quality? How do media artists improve/refine their work?									
7	MA: Cr3.1.Ia	HS Pr	Consolidate production processes to demonstrate deliberate choices in organizing and integrating content and stylistic conventions in media arts productions, demonstrating understanding of associated principles, such as emphasis and tone.							
8	MA: Cr3.1.Ib	HS Pr	Refine and modify media artworks, honing aesthetic quality and intentionally accentuating stylistic elements, to reflect an understanding of personal goals and preferences.							
9	MA: Cr3.1.IIa	HS Acc	Consolidate production processes to demonstrate deliberate choices in organizing and integrating content and stylistic conventions in media arts production, demonstrating understanding of associated principles, such as continuity and juxtaposition.							
10	MA: Cr3.1.IIb	HS Acc	Refine and elaborate aesthetic elements and technical components to intentionally form impactful expressions in media artworks for specific purposes, intentions, audiences and contexts.							
11	MA: Cr3.1.IIIa	HS Adv	Synthesize content, processes, and components to express compelling purpose, story, emotion, or ideas in complex media arts productions, demonstrating mastery of associated principles, such as hybridization.							
12	MA: Cr3.1.IIIb	HS Adv	Intentionally and consistently refine and elaborate elements and components to form impactful expressions in media artworks, directed at specific purposes, audiences, and contexts.							
Anchor Standard 4: Producing (Integrate): Select, analyze, and interpret artistic work for presentation.										
	Enduring Understanding: Media artists integrate various forms and contents to develop complex, unified artworks. Essential Question: How are complex media arts experiences constructed?									
13	MA: Pr4.1.I	HS Pr	Integrate various arts, media arts forms, and content into unified media arts productions, considering the reaction and interaction of the audience, such as experiential design.							
14	MA: Pr4.1.II	HS Acc	Integrate various arts, media arts forms, and academic content into unified media arts productions that retain thematic integrity and stylistic continuity, such as transmedia productions.							
15	MA: Pr4.1.III	HS Adv	Synthesize various arts, media arts forms and academic content into unified media arts productions that retain artistic fidelity across platforms, such as transdisciplinary productions.							
Anchor Standard 5: Producing (Practice): Develop and refine artistic techniques and work for presentation.										
	Enduring Understanding: Media artists require a range of skills and abilities to creatively solve problems within and through media arts productions. Essential Questions: What skills are required for creating effective media artworks and how are they improved? How are creativity and innovation developed within and through media arts productions? How do media artists use various tools and techniques?									
16	MA: Pr5.1.Ia	HS Pr	Demonstrate progression in artistic, design, technical, and soft skills, as a result of selecting and fulfilling specified roles in the production of a variety of media artworks.							
17	MA: Pr5.1.Ib	HS Pr	Develop and refine a determined range of creative and adaptive innovation abilities, such as design thinking, and risk taking, in addressing identified challenges and constraints within and through media arts productions.							
18	MA: Pr5.1.Ic	HS Pr	Demonstrate adaptation and innovation through the combination of tools, techniques and content, in standard and innovative ways, to communicate intent in the production of media artworks.							
19	MA: Pr5.1.IIa	HS Acc	Demonstrate effective command of artistic, design, technical and soft skills in managing and producing media artworks.							
20	MA: Pr5.1.IIb	HS Acc	Demonstrate effective ability in creative and adaptive innovation abilities, such as resisting closure, and responsive use of failure, to address sophisticated challenges within and through media arts productions.							
21	MA: Pr5.1.IIc	HS Acc	Demonstrate the skillful adaptation and combination of tools, styles, techniques, and interactivity to achieve specific expressive goals in the production of a variety of media artworks.							

22	MA: Pr5.1.IIIa	HS Adv	Employ mastered artistic, design, technical, and soft skills in managing and producing media artworks.								
23	MA: Pr5.1.IIIb	HS Adv	Fluently employ mastered creative and innovative adaptability in formulating lines of inquiry and solutions, to address complex challenges within and through media arts productions.								
24	MA: Pr5.1.IIIc	HS Adv	Independently utilize and adapt tools, styles, and systems in standard, innovative, and experimental ways in the production of complex media artworks.								

Anchor Standard 6: Producing (Present): Convey meaning through the presentation of artistic work.

			Enduring Understanding: Media artists purposefully present, share, and distribute media artworks for various contexts. Essential Questions: How does time, place, audience, and context affect presenting or performing choices for media artworks? How can presenting or sharing media artworks in a public format help a media artist learn and grow?								
25	MA: Pr6.1.Ia	HS Pr	Design the presentation and distribution of collections of media artworks, considering combinations of artworks, formats, and audiences.								
26	MA: Pr6.1.Ib	HS Pr	Evaluate and implement improvements in presenting media artworks, considering personal and local impacts, such as the benefits for self and others.								
27	MA: Pr6.1.IIa	HS Acc	Curate and design the presentation and distribution of collections of media artworks through a variety of contexts, such as mass audiences, and physical and virtual channels.								
28	MA: Pr6.1.IIb	HS Acc	Evaluate and implement improvements in presenting media artworks, considering personal, local, and social impacts such as changes that occurred for people, or to a situation.								
29	MA: Pr6.1.IIIa	HS Adv	Curate, design, and promote the presentation and distribution of media artworks for intentional impacts, through a variety of contexts, such as markets and venues.								
30	MA: Pr6.1.IIIb	HS Adv	Independently evaluate, compare, and integrate improvements in presenting media artworks, considering personal to global impacts, such as new understandings that were gained by artist and audience.								

Anchor Standard 7: Responding (Perceive): Perceive and analyze artistic work.

			Enduring Understanding: Identifying the qualities and characteristics of media artworks improves one's artistic appreciation and production. Essential Questions: How do we 'read' media artworks and discern their relational components? How do media artworks function to convey meaning and manage audience experience?								
31	MA: Re7.1.Ia	HS Pr	Analyze the qualities of and relationships between the components, style, and preferences communicated by media artworks and artists.								
32	MA: Re7.1.Ib	HS Pr	Analyze how a variety of media artworks manage audience experience and create intention through multimodal perception.								
33	MA: Re7.1.IIa	HS Acc	Analyze and synthesize the qualities and relationships of the components in a variety of media artworks, and feedback on how they impact audience.								
34	MA: Re7.1.IIb	HS Acc	Analyze how a broad range of media artworks manage audience experience, create intention and persuasion through multimodal perception.								
35	MA: Re7.1.IIIa	HS Adv	Analyze and synthesize the qualities and relationships of the components and audience impact in a variety media artworks.								
36	MA: Re7.1.IIIb	HS Adv	Survey an exemplary range of media artworks, analyzing methods for managing audience experience, creating intention and persuasion through multimodal perception, and systemic communications.								

Anchor Standard 8: Responding (Interpret): Interpret intent and meaning in artistic work.

			Enduring Understanding: Interpretation and appreciation require consideration of the intent, form, and context of the media and artwork. Essential Question: How do people relate to and interpret media artworks?								
37	MA: Re8.1.I	HS Pr	Analyze the intent, meanings, and reception of a variety of media artworks, focusing on personal and cultural contexts.								
38	MA: Re8.1.II	HS Acc	Analyze the intent, meanings, and influence of a variety of media artworks, based on personal, societal, historical, and cultural contexts.								
39	MA: Re8.1.III	HS Adv	Analyze the intent, meanings and impacts of diverse media artworks, considering complex factors of context and bias.								

Anchor Standard 9: Responding (Evaluate): Apply criteria to evaluate artistic work.

			Enduring Understanding: Skillful evaluation and critique are critical components of experiencing, appreciating, and producing media artworks. Essential Questions: How and why do media artists value and judge media artworks? When and how should we evaluate and critique media artworks to improve them?								
40	MA: Re9.1.I	HS Pr	Evaluate media art works and production processes at decisive stages, using identified criteria, and considering context and artistic goals.								
41	MA: Re9.1.II	HS Acc	Form and apply defensible evaluations in the constructive and systematic critique of media artworks and production processes.								
42	MA: Re9.1.III	HS Adv	Independently develop rigorous evaluations of, and strategically seek feedback for media artworks and production processes, considering complex goals and factors.								

Anchor Standard 10: Connecting (Synthesize): Synthesize and relate knowledge and personal experiences to make art.

			Enduring Understanding: Media artworks synthesize meaning and form cultural experience. Essential Questions: How do we relate knowledge and experiences to understanding and making media artworks? How do we learn about and create meaning through producing media artworks?								
43	MA: Cn10.1.Ia	HS Pr	Access, evaluate, and integrate personal and external resources to inform the creation of original media artworks, such as experiences, interests, and cultural experiences.								
44	MA: Cn10.1.Ib	HS Pr	Explain and demonstrate the use of media artworks to expand meaning and knowledge, and create cultural experiences, such as learning and sharing through online environments.								
45	MA: Cn10.1.IIa	HS Acc	Synthesize internal and external resources to enhance the creation of persuasive media artworks, such as cultural connections, introspection, research, and exemplary works.								
46	MA: Cn10.1.IIb	HS Acc	Explain and demonstrate the use of media artworks to synthesize new meaning and knowledge, and reflect and form cultural experiences, such as new connections between themes and ideas, local and global networks, and personal influence.								
47	MA: Cn10.1.IIIa	HS Adv	Independently and proactively access relevant and qualitative resources to inform the creation of cogent media artworks.								
48	MA: Cn10.1.IIIb	HS Adv	Demonstrate and expand on the use of media artworks to consummate new meaning, knowledge, and impactful cultural experiences.								

Anchor Standard 11: Connecting (Relate): Relate artistic ideas and works with societal, cultural, and historical context to deepen understanding

			Enduring Understanding: Media artworks and ideas are better understood and produced by relating them to their purposes, values, and various contexts. Essential Questions: How does media arts relate to its various contexts, purposes, and values? How does investigating these relationships inform and deepen the media artist's understanding and work?								
49	MA: Cn11.1.Ia	HS Pr	Demonstrate and explain how media artworks and ideas relate to various contexts, purposes, and values, such as social trends, power, equality, and personal/cultural identity.								
50	MA: Cn11.1.Ib	HS Pr	Critically evaluate and effectively interact with legal, technological, systemic, and vocational contexts of media arts, considering ethics, media literacy, social media, virtual worlds, and digital identity.								
51	MA: Cn11.1.IIa	HS Acc	Examine in depth and demonstrate the relationships of media arts ideas and works to various contexts, purposes, and values, such as markets, systems, propaganda, and truth.								
52	MA: Cn11.1.IIb	HS Acc	Critically investigate and ethically interact with legal, technological, systemic, and vocational contexts of media arts, considering ethics, media literacy, digital identity, and artist/audience interactivity.								

53	MA: Cn11.1.IIa	HS Adv	Demonstrate the relationships of media arts ideas and works to personal and global contexts, purposes, and values, through relevant and impactful media artworks.						
54	MA: Cn11.1.IIb	HS Adv	Critically investigate and strategically interact with legal, technological, systemic, and vocational contexts of media arts.

FOCUS AREA 1 DISCIPLINARY LITERACY: Instructional materials incorporate reading, writing, and communicating within the arts disciplines.								
1	Instructional materials provide students with multiple opportunities to engage with authentic sources that represent the language and style that is used and produced by performers/artists/technicians in each of the five arts disciplines: dance, media arts, music, theatre, and visual arts.							
2	Instructional materials regularly engage students in speaking/listening, reading/writing, and performing cultural art activities. (Culture: Values and beliefs of a particular group of people, from a specific place or time, expressed through characteristics such as tradition, social structure, religion, art, and food.)							
3	Instructional materials provide a coherent sequence of authentic sources that use vocabulary and knowledge over the course of study in each of the five arts disciplines: dance, media arts, music, theatre, and visual arts. Vocabulary is addressed as needed in the materials but not taught in isolation of deeper learning.							
4	Instructional materials address the necessity of using the five arts' disciplines (dance, media arts, music, theatre, and visual arts) across the curriculum.							
FOCUS AREA 2 LEARNING PROGRESSIONS: Instructional materials provide purposeful sequencing of teaching and learning expectations across multiple developmental stages.								
5	Instructional materials guide students to apply critical thinking skills to convey meaning to the presentation of artistic work.							
6	Instructional materials provide students with multiple opportunities to revisit their learning around the National Core Arts Standards (NCAS).							
7	Instructional materials provide goals for learning that are integrated as three-dimensional learning.							
8	Instructional materials interpret intent and meaning in artistic work to focus students on learning goals.							
9	Instructional materials provide criteria for evaluating artistic work.							
FOCUS AREA 3 AUTHENTICITY AND RELEVANCE: Instructional materials are authentic to the five arts' disciplines and relevant to the students of New Mexico.								
10	Instructional materials are authentic to the regulation of the five arts disciplines and are diverse in text type.							
11	Instructional materials reference New Mexico artists and their produced artwork.							
FOCUS AREA 4 SCAFFOLDING AND SUPPORTS: Instructional materials include instructional strategies that facilitate students' development as they build on prior knowledge and internalize new information.								
12	Teacher materials include information on the arts disciplines; background knowledge in the content area; support in three-dimensional learning; learning progressions; common student misconceptions and suggestions to address them; and guidance targeting speaking/reading/writing in an arts curriculum.							
13	Instructional materials guide students to share their knowledge and experiences in relation to the topic at the beginning of an instructional unit.							
14	Instructional materials guide students to build an understanding of standard operating procedures that include safety guidelines, procedures, and equipment.

Criteria #	Provider/Publisher Criteria All Content	Provider/Publisher Citation	Score	If Scored D: Reviewer's Evidence for Publisher Citation	Provider/Publisher Citation	Score	Required: Reviewer's Evidence for Publisher Citation	Comments, other citations, or feedback	
FOCUS AREA 1 COHERENCE: Instructional materials are coherent and consistent with the New Mexico Content Standards that all students should study in order to be college- and career-ready.									
1	Instructional materials address the full content contained in the standards for all students by grade level.								
2	Instructional materials support students to show mastery of each standard.								
3	Instructional materials require students to engage at a level of maturity appropriate to the grade level under review.								
4	Instructional materials are coherent, making meaningful connections for students by linking the standards within a lesson and unit.								
FOCUS AREA 2 WELL-DESIGNED LESSONS: Instructional materials take into account effective lesson structure and pacing.									
5	The Teacher Edition presents learning progressions to provide an overview of the scope and sequence of skills and concepts. The design of the assignments show a purposeful sequencing of teaching and learning expectations.								
6	Within each lesson of the instructional materials, there are clear, measurable, standards-aligned content objectives.								
7	Within each lesson of the instructional materials, there are clear, measurable language objectives tied directly to the content objectives.								
8	Instructional materials provide focused resources to support students' acquisition of both general academic vocabulary and content-specific vocabulary.								
9	The visual design of the instructional materials (whether in print or digital) maintains a consistent layout that supports student engagement with the subject.								
10	Instructional materials incorporate features that aid students and teachers in making meaning of the text.								
11	Instructional materials provide students with ongoing review and practice for the purpose of retaining previously acquired knowledge.								
FOCUS AREA 3 RESOURCES FOR PLANNING: Instructional materials provide teacher resources to support planning, learning, and understanding of the New Mexico Content Standards.									
12	Instructional materials provide a list of lessons in the Teacher Edition (in print or clearly distinguished/accessible as a teacher's edition in digital materials), cross-referencing the standards addressed and providing an estimated instructional time for each lesson, chapter, and unit. <i>(Publisher citation only required.)</i>								
13	Instructional materials support teachers with instructional strategies to help guide students' academic development.								
14	Instructional materials include a Teacher Edition with useful annotations and suggestions on how to present the content in the student edition and in the supporting material.								
15	Instructional materials integrate opportunities for digital learning, including interactive digital components.								
FOCUS AREA 4 ASSESSMENT: Instructional materials offer teachers a variety of assessment resources and tools to collect ongoing data about student progress related to the standards.									
16	Instructional materials provide a variety of assessments that measure student progress in all strands of the standards for the content under review. <i>(Adopted New Mexico Content Standards for 2022: New Mexico Social Studies Standards and New Mexico Core Arts Standards)</i>								
17	Instructional materials provide multiple formative and summative assessments, clearly defining which standards are being assessed through content and language objectives.								
18	Instructional materials provide scoring guides for assessments that are aligned with the standards they address, and that offer teachers guidance in interpreting student performance and suggestions for further instruction, differentiation, remediation and/or acceleration.								
19	Instructional materials provide appropriate assessment alternatives for English Learners, Culturally and Linguistically Diverse students, advanced students, and special needs students.								
20	Instructional materials include opportunities to assess student understanding and knowledge of the standards using technology.								
FOCUS AREA 5 EXTENSIVE SUPPORT: Instructional materials give all students extensive opportunities and support to explore key concepts.									
21	Instructional materials can be customized or adapted to meet the needs of different student populations.								
22	Instructional materials provide differentiated strategies and/or activities to meet the needs of students working below proficiency and those of advanced learners.								
23	Instructional materials provide appropriate linguistic support for English Learners and Culturally and Linguistically Diverse students, and accommodations and modifications for other special populations that will support their regular and active participation in learning content.								
24	Instructional materials provide strategies and resources for teachers to inform and engage parents, family members, and caregivers of all learners about the program and provide suggestions for how they can help support student progress and achievement. <i>(Publisher citation only required.)</i>								
25	Instructional materials include opportunities for all students that encourage and support creative thinking and effective problem-solving skills.								
FOCUS AREA 6 CULTURAL AND LINGUISTIC PERSPECTIVES: Instructional materials represent a variety of cultural and linguistic perspectives.									
26	Instructional materials inform culturally and linguistically responsive pedagogy by affirming students' backgrounds in the materials themselves and in the student discussions.								

27	Instructional materials provide a collection of images, stories, and information, representing a broad range of demographic groups, and do not make generalizations or reinforce stereotypes.						
28	Instructional materials provide context, illustrations, and activities for students to make interdisciplinary connections and/or connections to real-life experiences and diverse cultural and linguistic backgrounds.						
FOCUS AREA 7 INCLUSION OF CULTURALLY AND LINGUISTICALLY RESPONSIVE LENS: Instructional materials highlight diversity in culture and language through multiple perspectives.							
29	Instructional materials include tools and resources to relate the content area appropriately to diversity in culture and language.						
30	Instructional materials include tools and resources that demonstrate multiple perspectives in a specific concept.						
31	Instructional materials engage students in critical reflection about their own lives and societies, including cultures past and present in New Mexico.						
32	Instructional materials address multiple ethnic descriptions, interpretations, or perspectives of events and experiences.
