All - I hope this finds you all well on TWOS-Day.

I apologize that I missed the notice regarding the special meeting on Sunday. I was out of town through late Sunday and was not checking emails. I trust everything went well.

I want to share some news with you regarding my position on the TTCS Governance Council. I have made the complicated and difficult decision to return to Illinois. This decision is complicated by the fact that I also will be assisting my parents in their return to Illinois as well.

I know this may seem sudden but it's been in the air for a while now. However, things are picking up steam. I expect that I will be relocated as early as May. That being said - my time is increasingly consumed with preparing my parents for their move, and I will be spending time away from New Mexico to prepare for my final move.

So - it is with a heavy heart that I must tender my resignation from the TTCS council. My time on the council has been a wonderful learning experience and has made me more appreciative than you can imagine that I do not have children that needed to be schooled during a pandemic! I have nothing but the utmost admiration for the staff and teachers at TTCS and the thoughtful way you've navigated a challenging and ever-evolving situation.

Please let me know if you have any questions, and if there is anything I need to do to complete my separation from the Council.

Sincerely,

Wendy Flood
