

Parent and Student Satisfaction Survey Letter

Dear Parents / Students,

Please complete the [NMCC Parent & Student Satisfaction Survey](#) (linked here) upon the completion of courses.

Below is a preview of the survey after the Providing LEA selection. This information will be used by the PED to inform future consortium policy and will provide the consortium with valuable feedback to improve quality of service.

STUDENT:

1. Have you participated in online courses before?
2. How would you rate your enrollment support?
3. How would you rate the onboarding process from the Providing LEA?
4. Please list your courses.
5. How challenging did you find these courses to be?
6. How engaging did you find these courses to be?
7. How would you rate your teacher? (e.g. knowledgeable about the subject, responds to questions)

PARENT:

1. Has your child participated in online courses before?
2. How would you rate the communication received concerning the student's online courses?
3. How challenged do you feel the student was in the online course(s)?
4. How engaged do you feel the student was in the online course(s)?
5. Overall, how satisfied are you with the online course program?
6. Please leave any additional comments you would like to share.

Thank you for filling out the survey, your time is appreciated.
