

ASSESSMENT SECURITY TRAINING COURSE

CANVAS

COURSE OPENS IN
JANUARY 2022

The PED's online Assessment Security Training course is a supplemental resource for DTCs to provide to district personnel to establish and maintain appropriate and secure testing administration practices.

DTCs should direct district personnel to enroll in the course through the Canvas Catalog [here](#).

Upon course completion, district personnel will receive a certificate of completion directly from Canvas. Certificates should be printed and sent to the School or District Test Coordinator for documentation.*

Records shall be maintained for 5 years per 6.10.7.12 (f) NMAC.

*The Canvas Administrator can verify individual progress or completion of the course.
