Charter Contract Amendment for La Tierra Montessori School for the Arts and Sciences

July 1, 2022 – June 30, 2027

This Charter Contract Amendment ("Amendment") is hereby entered into by and between the New Mexico Public Education Commission ("PEC") and the governing body of La Tierra Montessori School for the Arts and Sciences, a New Mexico Charter School (the "School"), effective the 1st day of July 2022. The PEC and School are together referred to as the "Parties."

WHEREAS, a charter contract and performance frameworks currently exist between the PEC and the School that are valid through June 30, 2022 (the contract, all amendments thereto and the performance frameworks shall be referred to hereafter as "Existing Contract and Performance Frameworks").

WHEREAS, the PEC has approved the School for a five-year charter renewal period from July 1, 2022 to June 30, 2027 (the "Term");

WHEREAS, the PEC and state-authorized charter schools, including the School, intend to work together in good faith to look to create a new performance framework template that would allow for more options for assessment of charter schools considering the unique missions and student populations of charter schools; and

WHEREAS, the PEC and state-authorized charter schools, including the School, intend to work together in good faith to create a new charter contract template that may, upon agreement of the Parties, replace the Existing Contract to ensure both Parties' contract rights and responsibilities are more accurately and clearly articulated.

IT IS THEREFORE AGREED BETWEEN THE PARTIES THAT the Existing Contract between the PEC and the School is extended and amended as follows:

- 1.) The PEC renewed the School for the Term without conditions;
- 2.) The Existing Contract and Performance Frameworks is extended for the Term as amended herein until superseded or replaced by the Parties;
- 3.) The mission statement of the School (Section 4, Subsection 2 with proposed language change from the mission in the original charter) is as follows:

La Tierra Montessori School of the Arts and Sciences will prepare for students and their families an authentic Montessori environment that fosters collaboration, cooperation and peace; that promotes curiosity, exploration, and engagement; and that emphasizes a whole-child approach integrating the Arts and Sciences.

4.) Educational Program:

- a. The educational program of the School (Section 4, Subsection 4 provided here and unchanged from the original contract) is as follows:
 - i. Montessori methods and materials that address the education of the whole child will be utilized as an approach to instruction. The school will use Montessori instruction in multi-age groupings with teachers who are trained in Montessori curriculum and practices. Self-directed Montessori materials designed for hands-on learning are a part of each child's experience in every classroom.
 - ii. Students receive visual arts and performing arts instruction weekly that is aligned with grade-level appropriate New Mexico State Standards.
 - iii. Students participate in an agricultural curriculum which complements classroom instruction and offers opportunities for hand-on learning in the school's greenhouse and gardening plots. This part of the school's instructional plan lends itself to studies of health, environment, resources sustainability and community involvement.
 - iv. Parents have many opportunities to participate at school and in school-related events such as the following:
 - a. "Family Nights" to inform parents of the Montessori philosophy and instructional practices being used at the school and how these can be reinforced at home.
 - b. Activities that showcase student learning for their families and involved community members.

The school will provide 100% in-person instruction.
