## Instructions

Please read the entire Charter School Renewal Application Kit before preparing documents. Applicants will be notified of the dates, times, and locations of the workshops.

Enter applicant responses in boxes below. Answer all questions unless the question indicates that applicants should answer only under certain conditions (e.g., rating on a Performance Framework indicator requires explanation, etc.). Narrative responses should be verifiable through documents submitted or observable evidence at the renewal site visit.

## School Information

**Name of School:** Horizon Academy West

**Current Charter Term:** July 1, 2018 to June 30, 2023

## Financial Statement Narrative

The school must provide a financial statement that discloses the costs of administration, instruction, and other spending categories for the charter school. The financial statement must be understandable to the general public and must allow comparison of costs to other schools or comparable organizations. For schools that were identified in the lowest 25% of all schools in the NM System of Support and Accountability for SY2018-19 or SY2021-22, the report should specifically address how the school has prioritized resources toward proven programs and methods linked to improved student achievement.

Enter applicant response in box below:

**School response:** Horizon Academy West’s spending priority is for the students and teachers of our School. Operational spending was focused towards instructional programs that improved student achievement. On average we spent no less than 73% towards the students and teachers of our School.
