Confirmed by Language & Culture. They submitted the CLR framework.
This needs to be corrected in the final report.

Thank you so much for the report. I appreciate the time it takes to get this done and out to everyone. I have no appeal, but want the CSD to know **that I had submitted the CLR Framework**, and I am making efforts to update the inventory. However, something is afoot with Sharepoint. I have reached out to Nichelle for some help.

Take Care,
