INDIAN EDUCATION ACCOMPLISHMENTS & NEXT STEPS

Profile of Indian Education in NM

- 40,759 AI students in NM public schools
- 6,704 AI students in 41 BIE schools
- 93 Native American Language and Culture Staff (NALC) identified as a level I
- 244 Native American Language and Culture Staff (NALC) identified as a level II

Profile of Indian Education in NM

- 3,438 Teachers identified as AI
- 42 Administrators identified as AI
- 1,544 Ancillary staff identified as AI
- Seven of eight languages of NM Tribes are taught in School-based language programs
- 7,045 students participate in Native Language Programs

IED-Accomplishments and work ahead

- **Sustained learning opportunities**
 - Module 1 – Cultural Competency/ Cultural Sensitivity
 - Module 2 – Sustained Learning: Anti-Racism
 - Module 3 – Sustained Learning: History of NM's Indigenous People
 - Module 4 – Sustained Learning: Linguistic landscape of our students
 - Module 5 – Effective Communication: Conflict Resolution
- **Trainings and Technical Assistance** for Superintendents, Charter School Leaders, Indian Education Directors, and Tribal Education Directors to include the following:
 - How to complete a student needs assessment, systemic framework, or accountability tool. The recordings, technical assistance guide, and templates [can be found here](#).
 - Assistance on how to complete a Request for Application and submitting a Request for Reimbursement. The recordings and technical assistance guide can [be found here](#).
 - Training on the Indian Education Act and Tribal Sovereignty can be requested by emailing Indian.Education@state.nm.us
 - Technical Assistance is provided to any grantees at mid-year who have been unable to expend 50% of their grant or need assistance on how to complete their mid-year or end-of-year report.
- **Trainings and Technical Assistance for Tribal Consultation and Accountability of the Indian Education Act**
 - 2022 Tribal Consultation Guide and Quick Resource Guide can be accessed by this link: [Tribal Consultation](#)
- **Quarterly Meetings** with all Grantees/Programs to include at least two presentations from each grant recipient to provide an overview of their program/ initiatives:
 - What is working
 - Barriers they experience
 - Student successes
 - Goals/projected outcomes

IED Short Term Goals

- MOUs with Tribes for Native Language & Culture Staff
- Collaborate with Tribes & Districts regarding bilingual seal process
- On site monitoring for grants
- Work on a 4-year strategic plan

IED Long Term Goals

- Work with tribes and educator prep programs to create a sustainable native American educator and administrative pipeline along with native language
- Partner with legislators to continue to sustain and increase investments for the IEA Fund, that is recurring & multi-year
- Partner with legislators to pass legislation on an LEA and Tribal Data Sharing agreement
- Work on a data sharing agreement with BIE
