ACCESS for ELLs

Pre-reporting data validation is between **April 7-21**. The [WIDA AMS data validation supplemental guide](#) and [webinar](#) are in the DTC Workspace.

LEAs that did not return testing materials by the **March 20** deadline will not have the opportunity to participate in the data validation process for paper materials. The optional [SAT office hour](#) previously scheduled for **March 31** is rescheduled for **April 7** from 9 - 10 a.m. DTCs, STCs, and other staff involved in testing can attend and ask questions regarding the upcoming SAT School Day administration window.

Testing Irregularities

DTCs and STCs are encouraged to utilize the PED DTC Portal to submit irregularities throughout the spring testing window for DLM, MSSA, ASR, Spanish SBA, and SAT School Day.
