How will your school use Title II, Part A funds for targeted professional development for teachers and school leaders?

2025-26 ESSA Title II, Part A Private School Application

The Title II, Part A program is designed to:

- improve the quality and effectiveness of teachers, principals, and other school leaders,
- increase the number of teachers, principals, and other school leaders who are effective at improving student outcomes,
- provide students from low-income families and minority students greater access to effective educators, and
- meaningfully support educators so they can help their students for success in college and careers.

Title II, Part A investments should align with an LEA's overall strategy to support effective instruction in order to improve student academic outcomes.

I hereby certify that the information contained in this application is, to the best of my knowledge, correct and that I am authorized to submit this application.
