3	2. using basic individual activity skills, students will reproduce sequences of combined skills in practice situations and modified activities (i.e., table tennis: stance, grip, serve, return-forehand/backhand; aerobic: in rhythm high step, squat step, boxes, grapevine, low march; roller blades: stand up, "V" push, turn, stop, etc.).							
4	<b>5-8 Benchmark 2:</b> Students will demonstrate proficiency using basic offensive and defensive strategies while playing a modified version of a learned team and individual sport:							
5	1. for team sports, in a practice situation, defensive players will show and maintain proper position and techniques while offensive players use practiced plays and deception to attempt to move to open space; and							
6	2. for dual sports, during practice and game situations, students will reproduce sequences of basic techniques and skills consisting of: foot work, court position, offensive and defensive strokes, placement of projectile and court position in relation to partner.							
<b>CONTENT STANDARD 2:</b> Applies movement concepts and principles to the learning and development of motor skills.								
7	<b>5-8 Benchmark 1:</b> Students will demonstrate competency in the use of the concepts of body, effort, space and relationships in movement:							
8	1. describe how changing effort affects the outcome of a sport skill (i.e., tennis: smash versus lob; basketball: lay up versus three-point shot; track: long distance run versus sprint, etc.).							
9	<b>5-8 Benchmark 2:</b> Students will demonstrate competency in the use of motor skills, motor behaviors and motor learning concepts in increasingly complex movement situations:							
10	1. use increasingly complex skills and movements to achieve the desired level of motor skill and performances (i.e., progress from dribbling without opposition to dribbling with opposition to dribbling in a game situation, etc.).							

11	<b>5-8 Benchmark 3:</b> Students will demonstrate competency in the use of critical elements of fundamental and specialized movement skills:							
12	1. apply knowledge of results to correct and improve future performance; and							
13	2. demonstrate ability to analyze a movement pattern by using knowledge of its critical elements (i.e., self-analysis and peer observation, etc.).							
<b>CONTENT STANDARD 3:</b> <b>Exhibits knowledge and ability to participate in a physically active lifestyle.</b>								
14	<b>5-8 Benchmark 1:</b> Students will be able to set personal physical activity goals and participate in individualized programs of physical activity and exercise:							
15	1. list and describe the benefits of setting personal fitness goals;							
16	2. maintain heart rate within the target heart rate zone (i.e., demonstrate proper technique of taking heart rate, explain target heart rate zone, etc.); and							
17	3. choose physical activities with the intent to improve and or maintain each of the following health-related fitness components: muscular strength (i.e., push-ups, thera-bands, weights, pull-ups, tumbling, etc.); endurance (i.e., running, aerobic activities, etc.); flexibility (i.e., stretching/warm- up, cool-down activities, tumbling, etc.); cardiovascular (i.e., running and aerobic activities, etc.); body composition (i.e., toning activities, aerobic/anaerobic activities, weight training, etc.).							
18	<b>5-8 Benchmark 2:</b> Students will determine long-term benefits that may result from regular participation in physical activity:							
19	1. comprehend the benefits of physical activity (i.e., list and describe the health risks associated with an inactive lifestyle, list and describe the benefits of active lifestyles, etc.); and							
20	2. recognize the difference between anaerobic and aerobic fitness activities.							

**CONTENT STANDARD 4:  
Achieves and maintains a health-enhancing level of physical fitness.**

21	<b>5-8 Benchmark 1:</b> Students will participate in physical activities that address each health-related physical fitness component:							
22	1. engage in appropriate physical activity that results in the development of cardiovascular endurance;							
23	2. select appropriate fitness activities that require muscular strength and muscular endurance;							
24	3. comprehend the benefits of flexibility; and							
25	4. explain the benefits of a healthy body composition.							
26	<b>5-8 Benchmark 2:</b> Students will assess personal fitness status within each health-related physical fitness component:							
27	1. comprehend personal fitness data and recognize individual strengths and weaknesses.							
28	<b>5-8 Benchmark 3:</b> Students will interpret the results of physical fitness assessments and use this information to develop individualized physical fitness goals with guidance from the teacher:							
29	1. comprehend personal fitness data and recognize individual strengths and weaknesses; and							
30	2. choose appropriate physical activities to maintain and/or improve strengths and weaknesses.							
31	<b>5-8 Benchmark 4:</b> Students will evaluate the effectiveness of exercise and other factors to obtain personal fitness goals:							
32	1. identify the components of a fitness program and apply them to personal fitness plans (i.e., include more aerobic activities, adjust sets and reps in strength programs, etc.).							

**CONTENT STANDARD 5:  
Demonstrates responsible personal and social behavior in physical activity settings.**

33	<b>5-8 Benchmark 1:</b> Students will select and utilize safety principles in physical activity settings; grades 5-8 performance standards:

49	1. explain aspects of cooperative activities;							
50	2. participate positively in team building/cooperative activities;							
51	3. apply listening skills;							
52	4. explain different styles of leadership skills;							
53	5. demonstrate importance of positive attitudes (i.e., communication, body language and listening skills, etc.);							
54	6. explain what it means to be a good team player; and							
55	7. analyze cause and effect during physical activities.							

**CONTENT STANDARD 6:**  
**Demonstrates understanding and respect for differences among people in physical activity settings.**

56	<b>5-8 Benchmark 1:</b> Students will identify the contribution that physical activity plays in multicultural/ethnic awareness and in the acceptance of all peers:							
57	1. identify/explain the role of games, sports and dance in getting to know and understand various cultures; and							
58	2. distinguish the differences between varying cultures and their "native" sports/activities.							
59	<b>5-8 Benchmark 2:</b> Students will acknowledge all people of different gender, culture, ethnicity and disability and seek to learn more about both similarities and differences:							
60	1. understand the need for game modifications to allow persons with special needs to participate;							
61	2. recognize the diverse attributes of age, race, ethnicity, gender and ability level and acknowledge how these differences can enhance group activities;							
62	3. participate in games/activities in which handicapping conditions are simulated (i.e., wheelchair basketball, etc.); and							
63	4. describe the social dynamics that occur when peers participate with partners in cooperative activities.							
64	<b>5-8 Benchmark 3:</b> Students will analyze how the media, particularly advertising, influences the perception of ideal body types:							
65	1. initiate discussion of media influences on behavior choices (i.e., print, radio, TV, etc.);							
66	2. explain/describe how media influences our consumer choices and personal/physical self-concept;							
67	3. describe differences between healthy bodies and media-generated bodies; and							
68	4. produce a media advertisement that promotes the benefits of an active and healthy lifestyle.							

**CONTENT STANDARD 7:**  
Understands that physical activity provides opportunities for enjoyment, challenge, self expression and social interaction.

69	<b>5-8 Benchmark 1:</b> Students will participate in physical activity:							
70	1. identify a variety of physical activities that will provide satisfaction and lead to continued participation;							
71	2. choose to participate consistently in games, sports, dance and outdoor activities, both in and out of school, based on individual interests and capabilities (i.e., at school during self-selection times, after-school free time, teams, lessons, family recreation, etc.);							
72	3. identify benefits of participating in physical activities throughout one's lifetime (i.e., discussion, lists, outline, role playing, etc.); and							
73	4. show a desire to improve one's own physical ability, fitness level and performance (i.e., fitness journals, activity calendars, fitness level assessments, etc).							
74	<b>5-8 Benchmark 2:</b> Students will participate in new and challenging physical activities:							
75	1. identify opportunities in school and community that encourage/allow for regular participation in physical activity (i.e., community bulletin boards, online searches, class discussions, etc); and							
76	2. actively choose and join in on new activities in and out of the school environment (i.e., recess, self-selection times, after-school clubs, family recreation time, etc.).							
77	<b>5-8 Benchmark 3:</b> Students will identify the social benefits of participation in physical activity:							
78	1. identify basic ideals of fair play, acceptance of rules and group communication (i.e., give appropriate feedback to partners and teammates, etc.);							
79	2. appreciate the challenging aspects of competition with self and others (i.e., praise opponents, accept teammates' and opponents' contributions, enjoy physical activity for its own sake, etc.); and							

80	3. sharing feelings of satisfaction felt as a result of physical activity (i.e., improved individual self-esteem, good feelings gained from being part of a team, activity journals, class discussions, etc.).							
81	<b>5-8 Benchmark 4:</b> Students will practice and demonstrate physical activity as a vehicle for self-expression:							
82	1. identify and use a variety of physical activities and movements to communicate ideas and feelings (i.e., dance, sports, gymnastics, intensity levels, etc.);							
83	2. demonstrate aesthetic appreciation of skilled movement of the body (i.e., create body silhouettes, etc.);							
84	3. identify and describe personal feelings resulting from participation in physical activity (i.e., journals, activity calendars, peer mentoring, class discussions, etc.); and							
85	4. exhibit appropriate protocol during dance, fine arts or other physical activity events.

<b>FOCUS AREA 1 RESOURCES AND SUPPORTS FOR TEACHERS AND STUDENTS:</b> <b>Instructional materials provide teacher resources to support planning and supports for all students.</b>				
1	Instructional materials provide a list of lessons in the Teacher Edition or teacher-facing core material (in print or clearly distinguished/accessible as a teacher-facing core material in digital materials), cross-referencing the standards addressed and providing an estimated instructional time for each lesson, chapter, and unit.			
2	Instructional materials integrate opportunities for digital learning, including interactive digital components, and digital assessment.			
3	Instructional materials incorporate features that aid students and teachers in making meaning of the text.			
4	Instructional materials provide appropriate linguistic support for English Learners and Culturally and Linguistically Diverse students, and accommodations and modifications for other special populations that will support their regular and active participation in learning content.			
<b>FOCUS AREA 2 ASSESSMENT:</b> <b>Instructional materials offer teachers a variety of assessment resources and tools to collect ongoing data about student progress related to the standards.</b>				

5	Instructional materials provide a variety of assessments that measure student progress in all strands of the standards for the content under review. <i>(Adopted New Mexico Content Standards for 2023: 7-12 Career and Technical Education Standards; CSTA K-12 Computer Science Standards; K-12 Health Education Standards; K-12 Physical Education Standards)</i>			
6	Instructional materials provide multiple formative and summative assessments, clearly defining which standards are being assessed through content and language objectives.			
7	Instructional materials provide appropriate assessment alternatives for English Learners, Culturally and Linguistically Diverse students, advanced students, and special needs students.			
<b>FOCUS AREA 3 CULTURAL AND LINGUISTIC PERSPECTIVES AND RESPONSIVENESS: Instructional materials represent a variety of cultural and linguistic perspectives and highlight diversity in culture and language through multiple perspectives.</b>				
8	Instructional materials inform culturally and linguistically responsive pedagogy by affirming students' backgrounds in the materials themselves and in the student discussions.			
9	Instructional materials include tools and resources to relate the content area appropriately to diversity in culture and language.			
10	Instructional materials include tools and resources that demonstrate multiple perspectives in a specific concept.			
11	Instructional materials engage students in critical reflection about their own lives and societies, including cultures past and present in New Mexico.			
12	Instructional materials address multiple ethnic descriptions, interpretations, or perspectives of events and experiences.
